After The Falls The Sequel And Companion To Ribbon Falls:

After the Falls Brad Anderson, 2011-05 Everyone Wants What Patrick Kingrea Has and They're Willing to Kill for It Who else knows about the diamonds That's the question Patrick Kingrea wants answered but not until he hikes out of the Grand Canyon with the stolen gemstones The bad guys however have other plans It's not exactly what Patrick was expecting when he made off with the diamonds a treasure born of murder greed and sheer luck The countless carats were supposed to herald a life of leisure and ease not endless paranoia and certain peril But ill gotten gains have ways of catching up to you Now Patrick struggles to keep ahead of the game with his pursuers hot on his trail and they're not in the mood to share With death lurking around every turn Patrick enters a world where he can't be sure of anything and life revolves around one central question Who else knows about the diamonds The thrilling sequel to *Ribbon Falls* this tour de force follow up offers even more high octane adventure and psychological drama as one man fights off a worthy group of adversaries who don't know the meaning of playing nicely
