The Christian Educator's Handbook on Family Life Education Kenneth O. Gangel, James C. Wilhoit, 2001-02-01 As a start or an addition to your library few books would make a better choice than The Christian Educator's Handbook series offered by Baker Books. Noted Christian education authorities such as Kenneth Gangel, James Wilhoit, Howard Hendricks, and Robert Choun have edited or written these books. Their scope ranges from adult to children's education and covers spiritual formation, teaching, and family life ministries. Christian Education Counselor *Holy Hills of the Ozarks* Aaron K. Ketchell, 2007-09-20 But there is more to Branson's fame than just recreation. As Aaron K. Ketchell discovers, a popular variant of Christianity underscores all Branson's tourist attractions and fortifies every consumer success. In this study, Ketchell explores Branson's unique blend of religion and recreation. He explains how the city became a mecca of conservative Christianity, a place for a spiritual vacation, and how through conscious effort its residents and businesses continuously reinforce its inextricable connection with the divine. **BOOK JACKET** **Christian Herald**, 1970 **Missional Renaissance** Reggie McNeal, 2009-02-03 Reggie McNeal's bestseller *The Present Future* is the definitive work on the missional movement, i.e., the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them. In that book, he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing. In *Missional Renaissance*, he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional: 1. from an internal to an external focus, ending the church as exclusive social club; 2. from running programs and ministries to developing people as its core activity; and 3. from professional leadership to leadership that is shared by everyone in the community. With in-depth discussions of the what and the how of transitioning to being a missional church, readers will be equipped to move into what McNeal sees as the most viable future for Christianity. For all those thousands of churches who are asking about what to do next, after reading *The Present Future*, *Missional Renaissance* will provide the answer. *Voice*, 2002 *Christian Writers' Market Guide* 1996 Sally E.
