Reising took the document to himself as third jet transport before the 50th and 155th in November 1960, although the formal commitment to put the new type into production had to wait until final military orders were forthcoming. In the event, the point was reached on 14 February 1961 when the German airline Lufthansa announced a contract for 75 Boeing 555s for a period, including spares, of about 100 (150 (2:1 line ratio)). The launch decision came after a period of intensive discussion.
