Bonded To The Abuser How Victims Make Sense Of Childhood Abuse:

Bonded to the Abuser Amy J.L. Baker, PhD, Mel Schneiderman, 2015-05-07 Tens of thousands of children are removed from home each year due to some form of child maltreatment usually physical neglect physical abuse or sexual abuse although sometimes for emotional abuse as well An additional significant number of children are victims of child maltreatment but remain in their home Extensive research reveals the far reaching and long lasting negative impact of maltreatment on child victims including on their physical social emotional and behavioral functioning One particularly troubling and complicated aspect is how the child victim forms and maintains a traumatic bond with his abuser even becoming protective and defensive of that person despite the pain and suffering they have caused This book will provide the reader with the essential experience of understanding how children make meaning of being maltreated by a parent and how these traumatic bonds form and last Through an examination of published memoirs of abuse the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand and digest the traumatic experiences of their childhoods This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience from the inside out

Restoring Family Connections Amy J.L.

Baker, PhD, Paul R. Fine, LCSW, Alianna LaCheen-Baker, 2020-01-21 Broken relationships between adult children and their parents is a widespread phenomenon While the parent child attachment relationship is of critical importance for the child in the early years of life the parent child relationship continues to be a source of great importance over the course of the individual's life span for both the child and the parent For adults and adult children who are estranged alienated from each other the pain and dissatisfaction never fully go away Despite the prevalence of the problem of ruptured relationships there are few resources available for mental health professionals working with this population This book provides a tool for clinicians to turn to when they are working with adult children and their parents seeking to resolve conflict improve

communication and enhance their relationships **Child Sexual Abuse** India Bryce, Wayne Petherick, 2020-04-30 Child Sexual Abuse Forensic Issues in Evidence Impact and Management covers the issue of child sexual abuse from several viewpoints The book approaches child abuse from both victimization and offender perspectives offering applied perspectives from experts and practitioners in the field including discussions on policing child safety and intelligence This is a significant divergence from the literature most commonly provided in the market Other sections cover psychological physical abuse and neglect protective factors at individual and community levels recognition responses biopsychosocial outcomes dealt with in discrete chapters public policy prevention institutional abuse children and corrections treatment management and much more

Challenging Parental Alienation Jean Mercer, Margaret Drew, 2021-12-02 This book addresses the concept of parental alienation the belief that when a child of divorced parents avoids one parent it may be because the preferred parent has persuaded the child to do this It argues against the unquestioning use of parental alienation concepts in child custody conflicts Increasing use of this concept in family courts has led at times to placement of children with abusive or violent parents damage to the lives of preferred parents and the use of treatments that have not been shown to be safe or effective The 13 chapters cover the history and theory of parental alienation principles and practices Methodological and research issues are considered and diagnostic and treatment methods associated with parental alienation beliefs as well as those recommended by research and ethical evidence are analyzed The connections of parental alienation with gender and domestic violence issues are discussed as are the experiences of individuals who have experienced parental alienation treatments The book argues that parental alienation principles and practices should be avoided by family courts in the best interests of children in custody disputes This book will be useful reading for lawyers judges children s services workers including social workers child protection court workers and mental health professionals involved in child custody decisions

Gender and Domestic Violence Brenda L. Russell, John Hamel, 2022 Societal beliefs that domestic violence is primarily a crime against women otherwise known as the gender paradigm involves the presumption that domestic violence is about the abuse of women by men Gender and Domestic Violence directly challenges this prevailing paradigm by demonstrating how it has led to differential treatment that can jeopardize defendant due process and victim safety Experts legal scholars and practicing attorneys provide tools to become more inclusive in the process and practice of domestic violence criminal justice policies

Iconoclastic Sex Henry Walter Spaulding III, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the

language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

Child Abuse, Child Exploitation, and Criminal Justice Responses Daniel G. Murphy, April G. Rasmussen, 2020-01-08

There are few things in our society that provoke such raw emotions as that of child abuse Most people justifiably so are outraged when they hear of allegations of abuse and their anger is intensified as they learn of what seems to be an inappropriate criminal justice response However the debate on child abuse usually happens through visceral emotions rather than facts Taking emotions out of a child abuse debate is much easier said than done but it is of utmost importance to identify the facts When the reader has a better understanding of the scope of child abuse they can become more objective but still maintain their passion about ways to protect this vulnerable and targeted population Child Abuse Child Exploitation and Criminal Justice Responses is unique in that it offers the reader contributing facts based not only through scholarly research but practical experience working in the field from this wonderful collaboration of criminal investigator and forensic nurse Thus providing much personal insight and demonstrating how these two areas of expertise can join forces to achieve the objective of working as a team to facilitate safeguarding children The authors also present the research on this complex yet worthy topic by identifying the unique challenges of investigating these offenses while ultimately bringing the perpetrators to justice and presenting the research from various perspectives of child abuse including both national and international issues and responses
