## **A Guide To The Lcia Arbitration Rules:**

A Guide to the LCIA Arbitration Rules Peter Turner, Reza Mohtashami, 2009-03-19 The London Court of Arbitration LCIA is one of the world's foremost arbitration institutions with a growing annual caseload. The LCIA Arbitration Rules are among the most modern and forward-looking of the various sets of institutional arbitration rules but until now have not been the subject of in-depth study. This is the first full-length and comprehensive commentary on the rules written by two well-known and experienced arbitration practitioners. Portable and functional, this book acts as a guide and provides an indispensable resource for all involved in international arbitration under the LCIA rules. Grouped thematically, the commentary to each rule provides: 1. a description of the rule and its intended meaning; 2. the provenance and history of the rule; 3. the practical effect of the rule with reference to previous case law and jurisprudence; and 4. a comparative look at conceptual and practical differences between each rule. Focusing specifically on how the rules of the LCIA differ from those of the ICC and the UNCITRAL, this title emphasises the international nature of the LCIA and provides the only dedicated reference to the Rules.

**Arbitrating under the 2020 LCIA Rules** Maxi Scherer, Lisa Richman, Rémy Gerbay, 2021-07-12 The London Court of International Arbitration LCIA, the oldest of all major arbitral institutions, has since its establishment well over a century ago embodied the ideals that underlie the arbitral alternative and set its face against undue delay, soaring cost, complexity and acrimony. Today the LCIA administers cases arising under any system of law in any venue worldwide. Underscoring the institution's international nature, and over 80% of parties in pending LCIA cases today are not of English nationality. This highly practical and user-friendly guide provides not only a thorough analysis of the 2020 LCIA Rules but also a comprehensive explanation of the basic principles governing LCIA arbitration along with an in-depth analysis of complex issues that may arise in the course of LCIA proceedings. Among the new and revised rules affecting LCIA practice and procedure described in detail include the following: use of technology; accommodating virtual conferencing; remote hearings; and electronically signed awards, as well as confirming the primacy of electronic communication with the LCIA tools to expedite proceedings, including the possibility of early dismissal determinations; explicit consideration of data protection issues relating to bribery, corruption, terrorist financing, fraud, tax evasion, money laundering, and/or economic or trade sanctions; streamlined accommodations for consolidation; composite Requests; and concurrent conduct of arbitrations; conduct of authorised representatives of a party; requirements for appointment and removal of tribunal secretaries; and revised schedules of arbitration and mediation costs. The twenty-six chapters of the book provide references to essential national court judgments, statutory provisions, up-to-date statistics, and bibliographical sources on LCIA arbitrations. The 2020 LCIA Rules reflect the most sophisticated current modifications of arbitral procedure, fully aligned with the needs of current global commercial activities. For this reason, and because many companies worldwide include LCIA arbitration clauses in their agreements, this book is invaluable to business executives and corporate counsel as well as to scholars of alternative dispute

resolution      **A Guide to the Lcia Rules 2e** Peter Turner, Reza Mohtashami, 2019-10-17 The London Court of Arbitration LCIA is one of the world's foremost arbitration institutions with a growing annual caseload. The LCIA Arbitration Rules are among the most modern and forward-looking of the various sets of institutional arbitration rules. The second edition of this comprehensive commentary on the rules is written by two well-known and experienced arbitration practitioners. Portable and functional, this book acts as a guide and provides an indispensable resource for all involved in international arbitration under the LCIA rules. Grouped thematically, the commentary to each rule provides: 1. a description of the rule and its intended meaning; 2. the provenance and history of the rule; 3. the practical effect of the rule with reference to previous case law and jurisprudence; and 4. a comparative look at conceptual and practical differences between each rule. **A Guide to the NAI Arbitration Rules** Bommel van der Bend, Marnix Leitjen, 2009-01-01 The Netherlands Arbitration Institute (NAI) is the most prestigious institute in the Netherlands for the arbitration of commercial disputes. While NAI arbitration is the dispute resolution mechanism of choice of many Dutch corporations and public entities, it is increasingly agreed on by foreign parties selecting the Netherlands as a neutral venue for their potential disputes. This excellent volume, a rule-by-rule guide to the NAI Arbitration Rules, is not only the first such handbook in English but the most comprehensive and detailed in any language. In addition, it provides a unique commentary in English on important elements of Dutch arbitration law. Drawing on case law from arbitral tribunals and state courts, and on extensive personal experience, members of the arbitration team of the Dutch law firm De Brauw Blackstone Westbroek N.V. provide in-depth commentary on each provision of the NAI Arbitration Rules and on arbitration-related court proceedings in the Netherlands under the Dutch Arbitration Act. Focusing on disputes arising from, among others, share purchase agreements, joint venture agreements, licence agreements, franchise agreements, finance agreements, contractor agreements, distribution agreements, and agreements for the sale of goods, the analysis covers such crucial factors of the NAI system as the following: the use of the list procedure for the appointment of arbitrators; the central role of the Administrator; the Dutch concept of binding advice; contractual relationships and exclusion of liability; the separability of the arbitration agreement; freedom in determining and applying rules of evidence; the mechanisms for parties to seek relief in summary

arbitration proceedings costs of arbitration and the arbitral award including the possibility of rectifying supplementing and setting aside this award The provision by provision analysis also compares the NAI Rules with both relevant proceedings in the Dutch state courts and inter alia ICC and UNCITRAL Arbitration Rules and to practice under such other rules The authors of this matchless book have faced many questions on the NAI Arbitration Rules advised on the interpretation and correct application of those Rules and defended such interpretation before tribunals and courts In this book they share their experience insights and expertise Counsel for corporate clients and public entities contemplating arbitration proceedings and as well as counsel to parties in NAI proceedings or related court proceedings and will find here an incomparable guide to the NAI system and Dutch arbitration law

**A Guide to the UNCITRAL Arbitration Rules** Clyde Croft, Christopher Kee, Jeff Waincymer, 2013-04-25 The first version of the UNCITRAL Arbitration Rules was endorsed by the General Assembly of the United Nations in December 1976 Now considered one of UNCITRAL's greatest successes the rules have had an extraordinary impact on international arbitration as both instruments in their own right and as guides for others The Iran US Claims Tribunal for example employs a barely modified version of the rules for all claims and many multilateral and bilateral foreign investment treaties adopt the UNCITRAL Rules as an arbitral procedure The Rules are so pervasive and the consequences of the new version potentially so significant that they cannot be ignored This commentary on the Rules brings the official documents together in one volume and includes the insights and experiences of the Working Group that are not included in the official reports
