**Into the Hearts of the Amazons** Tom DeMott, 2006-06-01 Into the Hearts of the Amazons is part rousing travel adventure through a little known world and part popular ethnography exploring how Zapotec women earned their legendary status in a remote corner of southern Mexico To satisfy his curiosity about this culture Tom DeMott journeyed to the Isthmus of Tehuantepec where he discovered a thriving modern day matriarchy among the people of the Isthmus a cultural crossroads breeding ground for rebels and home to a half million Zapotecs DeMott integrated himself into the culture by joining in the rites of spring where women pelt the men with fruit by interviewing the women who control the marketplace where men are rarely seen and by honoring the saints with drink and dance at all night ceremonies Evoking these singular women and their culture DeMott tackles a primal question What would life be like if women rather than men had the advantage For centuries the Isthmus of Tehuantepec like a magnet has attracted travelers adventurers scholars romantics and rebels Something about Oaxaca and the Zapotec culture appeals to the curious and restless DeMott's fine memoir captures the spirit of this quest It will be of interest to anthropologists and general readers alike Howard Campbell author of Zapotec Struggles Driven by an unquenchable personal passion for his subject Tom DeMott has produced an exceptional narrative that deconstructs the clichés of a Mexican region and a people shrouded in romance and myth Acutely observed richly experienced Into the Hearts of the Amazons exposes issues of matriarchy and culture through intimate often bizarre and surreal yet indelibly moving close encounters with the people of Juchitán and Tehuantepec Tony Cohan author of On Mexican Time and Mexican Days

Global Christianity, 2007-01-01 In 2002 Philip Jenkins wrote The Next Christendom Over the past half century the centre of gravity of the Christian world has moved decisively to the global South says Jenkins Within a few decades European and Euro American Christians will have become a small fragment of world Christianity By that time Christianity in Europe and

North America will to a large extent consist of Southern derived immigrant communities Southern churches will fulfil neither the Liberation Dream nor the Conservative Dream of the North but will seek their own solutions to their particular problems Jenkins book evoked strong reactions a bit to his own surprise as the book contained little new In the United States of America the prospect of a more biblical Christianity caused reactions of alarm in liberal circles In contrast conservatives were delighted by the same prospect In Europe the book landed in the middle of the debate on Europe as an exceptional case It was detested by those who stick to the theory of ongoing and irreversible secularisation and welcomed by those who see a resurgence of religion also in Europe In the present volume scholars of religion and theologians assess the global trends in World Christianity as described in Philip Jenkins book It is the outcome of an international conference on Southern Christianity and its relation to Christianity in the North held in the Conference Centre of Radboud University Nijmegen the Netherlands

**The Writers Directory** ,2013 *Plight of the Fortune Tellers* Riccardo Rebonato, 2010-11-08 Today's top financial professionals have come to rely on ever more sophisticated mathematics in their attempts to come to grips with financial risk But this excessive reliance on quantitative precision is misleading and puts everyone at risk In *Plight of the Fortune Tellers* Riccardo Rebonato forcefully argues that we must restore genuine decision making to our financial planning Presenting a financial model that uses probability experimental psychology and decision theory Rebonato challenges us to rethink the standard wisdom about risk management He offers a radical yet surprisingly commonsense solution managing risk comes down to real people making decisions under uncertainty *Plight of the Fortune Tellers* is a must read for anyone concerned about how today's financial markets are run In a new preface Rebonato explains how the ideas presented in this book fit into the context of the global financial crisis that followed its original publication He argues that risk managers are still stuck in a probabilistic rut and need to engage with the structural causes of real events

## Enjoying the Song of Phrase: An Psychological Symphony within **A Guide To Your 2001**

In some sort of eaten by monitors and the ceaseless chatter of instantaneous transmission, the melodic beauty and mental symphony created by the published word frequently disappear into the background, eclipsed by the constant noise and distractions that permeate our lives. Nevertheless, nestled within the pages of **A Guide To Your 2001** a marvelous literary prize full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this fascinating masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths of this moving examination, we shall explore the book is main harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
