The Big Question: Where Do Monsters Live?

Unlike the monsters in *Snowulf*, those in our world are not always easy to identify. Evil can hide in the most unexpected places: behind a smiling face, between the lines of a law, in otherwise noble-sounding words. Even when evil is clearly exposed, people may disagree on how to confront it.

What does evil mean to you? Write your own definition of the word, and list and explain five examples of real-life monsters. [5 points
