Skinner,2012-12-06 School psychologists are on the front lines in dealing with the most significant challenges facing children and the educational community today And in a world of ever increasing risks and obstacles for students school psychologists must be able to use their in depth psychological and educational training to work effectively with students parents teachers administrators and other mental health professionals to help create safe learning environments By recognizing each individual student s unique circumstances and personality school psychologists are able to offer specialized services to address such crucial children s issues as family troubles e g divorce death school assignments depression anger management substance abuse study skills learning disabilities sexuality and self discipline The Encyclopedia of School Psychology provides school psychologists and other educational and mental health professionals with a thorough understanding of the most current theories research and practices in this critical area In addition the Encyclopedia offers the most up to date information on important issues from assessment to intervention to prevention techniques *Shengren* Thorsten J. Pattberg,2012-10-01 The shengren is the single most important concept in Chinese history Since the Europeans had not anything like it but refused to hold the candle to China instead they withheld the shengren and talked about some lesser versions of Greek philosophers or Christian holy men The English soon found a slightly better translation they called the shengren sages The Germans however the descendants of the Holy Roman Empire of German Nation never had a concept for sages or sagehood In their effort to christen China the Germans called the shengren saints Few people realize how the fate of the shengren was inextricably linked to the German obsession with Holiness The European imperialists soon engaged in a fierce battle over China s most valuable possessions its names

Pagan Christianity? Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ's revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you'll be challenged to decide whether you can ever do church the same way again

Revelation, Truth, Canon and Interpretation Craig D. Allert, 2015-12-22 This volume treats the concepts of revelation truth canon and interpretation as four pillars of early Christian theology Using Justin Martyr as a case study his Dialogue with Trypho is examined with a view toward discerning how a second century Christian father understands and develops these concepts Justin's intellectual background is discussed within the nuanced context of Middle Platonism Particular attention is paid to his use of biblical sources which is grounded in the foundational chapter on revelation in Justin Justin is placed within the wider context of theological developments in pre Nicene Christianity and includes a warning against judging Justin by anachronistic post Nicene developments
