## Mr. Shans' Biology

## Quizlet

**Materials:** Materials are due Monday, August 26. (See Materials handout.)

### Grading:

1. No late homework will be accepted. If it is not with you when you come to class, it is considered late and will not be accepted afterwards. This includes leaving homework in your locker or another book. Homework will be taken up at the first of the hour, so no handing in homework at the end of the hour, unless instructed by me.

2. If you are absent the day a test is given or homework is assigned/turned in, **IT IS YOUR RESPONSIBILITY** to complete the work or make up the missed exam. You only have one week after the day of a missed test or quiz to make it up. If the test or quiz is not made up within one week, you will NOT have an opportunity to make it up afterwards and will receive a zero on that assignment.

3. Making up missed work:

I am available for students to come in to get extra help or to make up a quiz/test. The times that are available include:

\* Before school at 7:30 AM

\* During lunch

\* During Advisory

A student may be required to make up a quiz or test in class on the first day that they are back in class after an absence. Here's an example. Let's say a quiz or test was given on a Wednesday and a student was absent that day, but that student is back in class on Thursday. That student may be required to make up the quiz or test in class.

4. Grading is based on a total point system.

### Rules:

Students will follow the rules as outlined in the Student handout. These are a few instructions that are being emphasized in my classroom.

1. Refrain from name calling and rude remarks.
2. Respect the teacher's, the school's, and other students' property.
3. No sitting on the desks.
4. No sleeping in class.
5. Be in your seat when the bell rings or you will be tardy.
6. Use restrooms and water fountain before coming to class.
