Emnet Tadesse Woldegiorgis,Logan Govender,Dennis Zami Atibuni,2025-07-25 This book explores the opportunities and
epistemological and structural challenges facing higher education in postcolonial South Africa and argues for a fundamental
transformation to meet the needs of the 21st century Taking the concept of transformation as a unifying thread this book
discusses the evolving trajectories of higher education in South Africa with particular emphasis on the decolonial initiatives
that have emerged in the post Apartheid era During this time there have been persistent calls for South Africa to move
beyond Eurocentric education programmes and curricula in favour of a system that reflects the continent s culture and
identities of all South Africans The book argues that incremental reforms of existing structures are insufficient and that
instead a deeper more fundamental shift in higher education structures values and systems is needed Overall the book calls
for a comprehensive transformation to expand access for historically disadvantaged communities enhance quality and
competitiveness address past injustices and improve the quality and capacity to act together for a more sustainable and just
future Also exploring the digital transformations which have accelerated in the wake of the COVID 19 pandemic this book
will be an essential read for researchers and policymakers working on higher education in South Africa *Practice Tests*
