Heloise Mandy Hager, 2017-05-15 What happens when the 12th century's most famous French lovers are caught in the crossfire of factions religious reform and blind ambition Heloise is a determined young woman with an exceptional mind longing to pursue learning rather than marriage or life as a cloistered nun Her path inevitably crosses with Peter Abelard the celebrity philosopher theologian and master at Paris famed Cathedral School When two such brilliant minds meet and engage sparks are likely to ignite But theirs is an impossible love This is a time when the Gregorian Reforms are starting to bite and celibacy among the clergy and church officials is being rigorously imposed Based on meticulous up to date research and the pair's own writings this novel offers a plausible interpretation of the known facts and a vivid imagining of the gaps in this legendary story It shines a light on a changing world whose attitudes and politics are not so very different from our own

Astralabe Brenda M. Cook, 2023-09-30 Two of the most notable figures from the Middle Ages the volatile brilliant Abelard and the equally brilliant Heloise became the parents of their son Astralabe before Abelard's infamous brutal castration The couple spent the rest of their lives as

monastics in each other's orbits if not in shared presence as they became movers in the glittering monastic world of the early twelfth century France. What happened to their strangely named Astralabe? Astralabe: The Life and Times of the Son of Heloise and Abelard rescues the lost son from footnotes and fiction and attempts to tell instead the story of a real man living in Europe in the twelfth century. This book assembles the references to Astralabe, provides background in the history of France and Switzerland, uncovers Abelard's relationships with his family with the ruling house of Brittany and more, and most importantly draws together all that is known of Astralabe.

A Companion to Twelfth-Century Schools Cédric Giraud, 2019-11-11. This Companion to Twelfth Century Schools provides a comprehensive update and new synthesis of the last three decades of research. The fruit of a contemporary renewal of cultural history among international scholars of medieval studies, this collection draws on the discovery of new texts, the progress made in critical attribution, the growing attention given to the conditions surrounding the oral and written dissemination of works, the use of the notion of a community of learning, the reinterpretation of the relations between the cloister and the urban school, and links between institutional history and social history. Contributors are Alexander, André, Irene, Caiazzo, Cédric, Giraud, Frédéric, Goubier, Danielle, Jacquart, Thierry, Kouam, Constant, J. Mews, Ken, Pennington, Dominique, Poirel, Irène, Rosier, Catach, Sita, Steckel, Jacques, Verger, and Olga, Weijers. See inside the book.

Biblical Women and Jewish Daily Life in the Middle Ages Elisheva Baumgarten, 2022-06-07. In *Biblical Women and Jewish Daily Life in the Middle Ages*, Elisheva Baumgarten seeks a point of entry into the everyday existence of people who did not belong to the learned elite and who therefore left no written records of their lives. She does so by turning to the Bible as it was read, reinterpreted, and seen by the Jews of medieval Ashkenaz. In the tellings, retellings, and illustrations of biblical stories and especially of those centered around women, Baumgarten writes we can find explanations and validations for the practices that structured birth, marriage, and death; women's inclusion in the liturgy and synagogue; and the roles of women as community leaders, givers of charity, and keepers of the household. Each of the book's chapters concentrates on a single figure or a cluster of biblical women: Eve, the Matriarchs, Deborah, Yael, Abigail, and Jephthah's daughter, to explore aspects of the domestic and communal lives of Northern French and German Jews living among Christians in urban settings. Throughout the book, more than forty vivid medieval illuminations, most reproduced in color, help convey to modern readers what medieval people could have known visually about these biblical stories. I do not claim that the genres I analyze here—literature, art, exegesis—mirror social practice. Baumgarten writes: "Rather, my goal is to examine how medieval Jewish engagement with the Bible offers a window onto aspects of the daily lives and cultural mentalities of Ashkenazic Jews in the High Middle Ages." In a final chapter, Baumgarten turns to the historical figure of Dulcia, a late twelfth-century woman, to ponder how our understanding of those people about whom we know relatively more can be enriched by considering the lives of those who have remained anonymous. The biblical stories through which Baumgarten reads contributed to shaping a world that is largely lost to us and can help us in turn to gain access to lives of people of the

past who left no written accounts of their beliefs and practices **Rethinking Intentionality, Person and the Essence**

,2024-02-26 What is the relationship between the concept of person and the concept of intentionality Is the phenomenological notion of essence somehow related to that of medieval philosophies What kind of entity is the person understood in her irreducible singularity These are some of the questions that the chapters in this book seek to address and develop by focusing on the thought of Aquinas Scotus and Edith Stein Indeed the editors of the book are led by the conviction that a fruitful dialogue between medieval philosophy and 20th century phenomenology may prove useful in addressing questions and problems that are still relevant in contemporary debates The book is divided into three sections devoted respectively to medieval philosophy phenomenology and some of the possible systematic and historical intersections between them Contributors are Sarah Borden Sharkey Antonio Calcagno Therese Cory Daniele De Santis Andrew LaZella Dominik Perler Giorgio Pini Francesco Valerio Tommasi Anna Tropia and Ingrid Vendrell Ferran The Rhetoric of Cicero in its

Medieval and Early Renaissance Commentary Tradition Virginia Cox,John Ward,2018-11-12 This multi authored volume by an authoritative team of international scholars examines the transmission of Ciceronian rhetoric in medieval and early Renaissance Europe concentrating on the fortunes in particular of the two dominant classical rhetorical textbooks of the time Cicero s early De inventione and the contemporary pseudo Ciceronian Rhetorica ad Herennium The volume is unprecedented in range and depth as a presentation of the place of classical rhetoric in medieval culture and will serve to revise views of a period seen until recently as largely indifferent to the values of eloquence The main body of the volume is composed of a series of ground breaking studies of the relationship between Ciceronian rhetoric and a wide range of intellectual traditions and cultural practices including dialectic law conduct theory memory poetics and practical composition teaching preaching ars dictaminis and political oratory Also included are important contextualizing essays on the commentary tradition of the Ciceronian juvenilia on the textual history and manuscript transmission of Cicero s rhetorical works and on the Latin and vernacular traditions of Ciceronian rhetoric in Italy The volume concludes with an annotated appendix of illustrative texts containing extracts from the commentary tradition on Ciceronian rhetoric most of which have not been previously available in print Christian Attitudes Toward the Jews in the Middle Ages Michael Frassetto,2007 Publisher description **The**

Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women

have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike Commentary on the Epistle to the Romans Peter Abelard,2011 Despite its importance and the frequent references made to it by modern scholars this commentary has never before been translated into English in its entirety This volume which includes an extensive introduction fills this gap thus providing a needed contribution to medieval scholarship *The Letters of Heloise and Abelard* M. McLaughlin,B. Wheeler,2009-12-21 The letters of Heloise and Abelard will remain one of the great romantic and intellectual documents of human civilization while they themselves are probably second only to Romeo and Juliet in the fame accrued by tragic lovers Here for the first time in Mart Martin McLaughlin s edition is the complete correspondence with commentary **The Poetic and Musical Legacy of Heloise and Abelard** Marc Stewart,David Wulstan,2003
