Annual Report of the General Accounting Office United States. General Accounting Office, Transcribing Class and Gender Carole Srole,2012-03-19 Examines the historical roots of clerical work and the role that class and gender played in determining professional status *Pendergast!* Lawrence H. Larsen,Nancy J. Hulston,2013-07-05 More than a half century after the death of Kansas City s notorious political boss Thomas J Pendergast the Pendergast name still evokes great interest and even controversy Now in this first full scale biography of Pendergast Lawrence H Larsen and Nancy J Hulston have successfully provided through extensive research including use of recently released prison records and previously unavailable family records a clear look at the life of Thomas J Pendergast Born in St Joseph Missouri in 1872 Tom Pendergast moved to Kansas City around 1890 to work for his brother James founder of the Pendergast Goat faction in Kansas City Democratic politics In 1911 Pendergast became head of the Goats and over the next fifteen years he created a powerful political machine that used illegal voting and criminal enforcers to gain power Following a change in the city charter in 1925 Pendergast took control of Kansas City and ran it as his own personal business In the 1930s he received over 30 million annually from gambling prostitution and narcotics putting him in the big leagues of American civic corruption He also

wielded great power in the National Democratic Party and started Harry S Truman on the road to the presidency In this well balanced biography the authors examine Pendergast s rise to power his successes as a political leader his compassion for the destitute and his reputation for keeping his word They also examine Pendergast s character development and how his methods became more and more ruthless Pendergast had no use for ideology in his invisible government only votes counted In 1937 and 1938 the federal government broke the back of Pendergast s machine convicting 259 of his campaign aides for vote fraud In 1939 Pendergast who was believed to be the largest bettor on horse racing in the United States was jailed for income tax evasion and he died in disgrace in 1945 An insightful and comprehensive biography Pendergast will surely serve for years to come as the most thorough investigation of the life and infamous career of Tom Pendergast **Resources in**
