

A woman in a hat and dark clothing is walking away from the viewer on a beach. The sun is low on the horizon, creating a warm orange and yellow glow. The sky transitions from a deep blue at the top to a lighter orange near the horizon. The water is calm, reflecting the colors of the sky.

Prayers for a Widow's Journey Gayle Roper, 2024-03-05 I don t want a future Lord I want my past But ahead lie Your plans Ahead lies life Life after a husband s death is full of grief uncertainty and loneliness Who can possibly understand the heavy ache of this new life that must be lived alone Only someone who has lived this experience too In *Prayers for a Widow s Journey* a collection of more than 100 reflective prayers author Gayle Roper talks to the Lord about what it feels like to be caught in the unsought solitude of widowhood Each prayer is accompanied by a verse from Scripture that grounds the prayer not in self pity but in an awareness of the boundless care of the God of all comfort Rather than explaining grief away Gayle acknowledges the pain and invites you to trust God even in these darkest of days

God is Enough M.E. Louis, 2017-12-03 Where do you go when life as you know it is turned completely upside down It happened to me The life I knew and loved vanished on August 7 2013 when my college sweetheart and husband of 33 years chose to end his life There are not words to describe my shock and devastation Though I was surrounded with wonderful loving people none of them could restore the half of me that died that day This was a God sized task This is my journey through shock grief mourning and healing It is the very personal and profound journey I took to ultimately discover that no matter how deep your pain God is always there and He is enough If you are grieving God Is Enough will give you hope I understand what you are going through and I am here to share my message of hope healing and faith

Seasons

Ernestine Rose,2018-12-23 Like life grief has its own set of seasons We all will eventually face them head on in our own time and at our own pace No matter what our loss we must learn how to endure and survive our seasons in order to live fully again In a memoir that follows the metaphor of the seasons Ernestine Rose provides an enlightening glimpse into her walk through grief after her beloved husband of forty one years passed away in 2016 Beginning with the season of summer Ernestine first recounts the year preceding Art s death as he bravely battled sarcoidosis and eventually succumbed to the disease As she leads others through the often cold and lonely seasons of autumn and winter Ernestine details how she
