**Integrating the 12 Steps into Addiction Therapy** James R. Finley, 2004-10-20 All the resources needed to fully integrate a 12 step approach as part of your overall treatment program. Millions of Americans have at some time in their lives participated in a 12 step program for treatment of a chemical or non chemical addiction. Clinicians recognize that these grass roots efforts have a very high cure rate. However little has been written on how to integrate these programs into a traditional therapy setting. Integrating the 12 Steps into Addiction Therapy serves as an indispensable resource for clinicians treating addiction patients who are simultaneously enrolled in 12 step programs. This valuable text contains eight lesson plans and twenty seven assignments. Integrates in depth discussion of 12 step programs with hands on resources like homework assignments, treatment plan examples and patient handouts. Will also benefit 12 step program peer counselors.
