**Condom Nation** Alexandra M. Lord,2010-01-01 An award winning history of the U S Public Health Service's haphazard efforts to educate Americans about sex for more than a century Since launching its first sex ed program during World War I the Public Health Service has dominated federal sex education efforts Alexandra M Lord draws on medical research news reports the expansive records of the Public Health Service and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W Bush Giving equal voice to many groups in America middle class working class black white urban rural Christian and non Christian scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with

community organizations public schools foundations corporations and religious groups With engaging and insightful analysis Lord explains how tensions among these organizations exacerbated existing controversies about sexual behavior She also discusses why the Public Health Service s promotional tactics sometimes fueled public fears about the federal government s goals in promoting or not promoting sex education Award for the Public Understanding of Science 2010 British Medical Association s Board of Science First Prize Popular Medicine British Medical Association 2010 Book Awards *Writing with Scissors* Ellen Gruber Garvey,2012-11-02 Featuring over fifty rare and hard to find illustrations *Writing with Scissors* presents a fascinating cultural history of scrapbooks in America **Wealthy Choices** Penelope S. Tzougros,2003-11-17 Praise for *Wealthy Choices* If you are at all interested in achieving financial freedom you must read the powerful book *Wealthy Choices* by Dr Penelope Tzougros It will make you think about money in a different way and help you uncover some of the roadblocks preventing you from having a life of prosperity and abundance Robert G Allen author of the New York Times bestsellers *The One Minute Millionaire* *Nothing Down* for the 90s *Creating Wealth* *Multiple Streams of Income* and *Multiple Streams of Internet Income* I m planning to give this book to my friends It is important and will enhance their lives So many people I know don t have a handle on their finances and it just boggles my mind that they don t even think about this for the future I saw myself in so many of the examples even though I thought that none of the situations would ever apply to me Patty Wagstaff first woman to win the title of U S National Aerobic Champion and six time member of the United States Aerobic Team To many questions about money Penelope Tzougros gives common sense and illuminating answers Most individuals would benefit much from reading this book Jean Marie Eveillard Copresident First Eagle Funds and manager of several mutual funds Here is a truly helpful book on how to deal with our finances Tzougros s years as a financial planner and sympathetic listener give her advice a special and convincing authority If you re afraid of money this book teaches you how not to be If you re fortunate enough to have no serious money worries you might enjoy reading this just for its good stories and sound reassuring judgment Lloyd Schwartz Pulitzer Prize winner NPR commentator and author of *Goodnight Gracie* *When the Bough Breaks* Katie Reid,2010-04-08 Letters written from the children who lose their lives to their frightened mothers selfish fathers and the rest of our country that does not care about the least of us [The Dignity of Dependence](#) Leah Libresco Sargeant,2025-10-01 *The Dignity of Dependence* argues that women s equal rights depend on advocating for women as women The world is not ready to welcome women as women a culture that fears dependence and asks everyone to aim for autonomy and independence will always be a society hostile to women Women are expected to care for those around them while living in a society that despises need and penalizes those who care for the weak *The Dignity of Dependence* aims to liberate women and men from this corrosive and false ideal of the human person as strongest alone Leah Libresco Sargeant argues that to thrive human beings need to exist in webs of mutual dependence not in isolating radical autonomy Women s equal dignity doesn t require women to deny biological reality or attempt to be interchangeable with men

Sargeant advocates for building a culture that accepts and celebrates women as they are rather than demanding that women keep their relationships and their bodies in check The fight for women s dignity is a fight for a full human dignity a dignity that isn t threatened by dependence It is our need for each other that makes us human Bowker's Guide to Characters in Fiction 2007 ,2008-02 *Let's Get Real* Martha Caldwell,Oman Frame,2016-07-15 This new book is a vital resource for any teacher or administrator to help students tackle issues of race class gender religion and cultural background Authors Martha Caldwell and Oman Frame both lifelong educators offer a series of teaching strategies designed to encourage conversation and personal reflection enabling students to think creatively rather than stereotypically about difference Using the Transformational Inquiry model your students will learn to explore their own identities share stories and thoughts with their peers learn more through reading and research and ultimately take personal collaborative action to affect social change in their communities You ll learn how to Facilitate dynamic classroom discussions in a safe and empathetic environment Encourage students to think and talk objectively about complex and sensitive issues such as race gender and social class Help students cultivate valuable communication critical thinking and writing skills while developing their identities in a healthy way Develop your teacher identity in a positive way to better support your students growth and self discovery The strategies in this book can be adapted for any middle school or high school curriculum and each chapter includes a variety of lesson plans and handouts that you can use in the classroom immediately These resources can also be downloaded from the authors website [www.ichangecollaborative.com](http://www.ichangecollaborative.com)
