A Long Obedience in the Same Direction Eugene H. Peterson, 2021-11-04 Over 200,000 Copies Sold Since Eugene Peterson wrote this spiritual formation classic more than forty years ago hundreds of thousands of Christians have been inspired by its call to deeper discipleship. Our society is still obsessed with quick fixes. But Peterson's time-tested prescription for discipleship remains the same: a long obedience in the same direction. Following Jesus requires a deepening life of prayer and throughout history Christians have learned to pray from the Psalms. Peterson finds particular encouragement for today's pilgrims in the Songs of Ascents Psalms 120-134. With prophetic and pastoral wisdom he shows how the psalms teach us to grow in worship, service, joy, work, humility, community, and blessing. Now including a bibliography of Peterson's works, *A Long Obedience in the Same Direction* is available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A companion Bible study guide is also available.

Living in the Lamplight Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack. Loving to Know Esther Lightcap Meek, 2011-06-01 Knowing is less about information and more about transformation less about comprehension and more about being apprehended This radical book develops the notion of covenant epistemology an innovative biblically compatible holistic embodied life shaping epistemological vision in which all knowing takes the shape of interpersonal covenantal relationship Rather than knowing in order to love we love in order to know Meek argues that all knowing is best understood as transformative encounter Creatively blending insights from a diverse range of conversation partners including Michael Polanyi Michael D Williams Lesslie Newbigin Parker Palmer John Macmurray Martin Buber and James Loder Meek offers critically needed epistemological therapy in response to the pervasive and damaging presumptions that those in Western culture continue to bring to efforts to know The book's innovative approach an unfolding journey of discovery through dialogue itself subverts standard epistemological presumptions of timeless linearity While it offers a

Kasonso Ph.D.,2017-06-30 Fresh from a near death experience in the hospitals of Washington DC Dr Kasonso explains the essence of life in our world today including timeless principles inspirational stories and a personal witness of what holds life together

Human existence is a quest to find significance. We all want our lives, our activities, our situations, and the people around us to make sense. But in our broken world, life is always juxtaposed by endless predicaments. As such, we all live through unresolved dilemmas; we all carry around unanswered questions, and we all live through unexplained events. There are always two sides to every life story: what we know and what we do not know, what we can reach for and what is completely beyond us, what we can live with and what we can live without. Relive the principles that make life worth living and discover a way to find meaning in a broken world in *The Original Templates*. Dr. Kasonso beautifully captures the essence of what it means to live a life that is fully surrendered to Jesus. It is inspiring. It is encouraging. It is challenging. Read it slowly and let it shape your heart and mind in the way of Jesus. Insoo Kim, Coauthor of *Both And: Living the Christ-Centered Life in an Either/Or World* and Church Planter of Life Church Vancouver, BC, Canada. *The Original Templates* is a must-read book for everyone who is seeking his life to be reignited with passion for the Lord and His mission. It's not just like any other book filled with words, but something that is calling us back to original Christianity and be the answer to this broken world. Dr. Kasonso is an ordinary Christian with an extraordinary faith in the Lord and a great inspiration to my personal walk with the Lord. Rev. Damas Kamfwa, National Director, Association of Vineyard Churches, Zambia. Dr. Kasonso has written a book that is refreshing to the eyes, which are also the windows to the soul. Kasonso takes his audience on a beautiful journey of ingenuity, and along the journey, it is clear that his book lives up to its title. Get this book; it is a must-read. Michael Badriaki, Author of *When Helping Works: Alleviating Fear and Pain in Global Missions*. *Theological Interpretation of Scripture as Spiritual Formation*, 2022-12-19. Academic expertise is essential. But have you ever wondered how it itself is spiritually formative? This book, coming from an interdisciplinary assortment of scholars, shows how the exegetical methods of *Theological Interpretation of Scripture* (TIS) are themselves spiritually formative. This book provides a diverse collection of essays that focus on theological interpretative methods that result in a unique transformational experience not achieved through historical, critical, or grammatical-historical approaches alone. Renowned thinkers such as biblical scholar Ben Witherington III, historical theologian Mark Elliott, and theologian Arthur Sutherland offer new works that explore how reading theologically can transform theology, cultures, and individuals. These new studies focus on the theological exegesis of such thinkers as Mother Teresa, Thomas Aquinas, Ignatius of Antioch, and Clement of Alexandria. The collection also includes several important and timely pieces that show how theological interpretation leads to moral formation within diverse cultural groups, including African American and Latinx communities.

Christians in the Age of Outrage Ed Stetzer, 2018-10-02. Are you tired of reading another news story about Christians supposedly acting at their worst? Today there are too many examples of those claiming to follow Christ being caustic, divisive, and irrational, contributing to dismissals of the Christian faith as hypocritical, self-interested, and politically co-opted. What has happened in our society? One short outrageous video, whether it is true or not, can trigger an avalanche of comments on social media. Welcome to the new age of outrage. In this groundbreaking book featuring new survey research of evangelicals and
