 Home-School Connections* Fox, Kathy R., Szech, Laura E., 2022-06-24 Research has shown that families and schools that
 partner together improve literacy outcomes for their students Family literacy includes homework and shared book reading
 but goes beyond these school to home activities to encompass family generated practices These literacies include family
 connections around activities such as cooking play religion social and community groups Further study on the importance of
 the partnership between the home and school is required to implement best practices and provide students with the best
 possible education The Handbook of Research on Family Literacy Practices and Home School Connections seeks to
 understand the connections made and new information learned during the COVID 19 pandemic surrounding family literacy
 and shares updated practices and new perspectives on what it means to partner with families and embrace diverse family
 literacies in this new world The book also provides teachers perspectives on how future relationships between the school and
 home can be shaped through both narrative and research based chapters Covering key topics such as parenting homework
 and social distancing this major reference work is ideal for administrators school faculty academicians scholars practitioners

 Dance, Physical Education and Sports** Stephen G. Mogge, Shelly Huggins, Jaye Knutson, Elin E. Lobel, Pamela
 Segal, 2023-03-14 This book explores a spectrum of literacies relevant to dance physical education and sports It examines
 conceptions of movement literacies disciplinary literacies and traditional school literacies It includes theory research and
 instructional practice related to the uses of traditional print multimedia and embodied physical literacies These literacies
 function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning As
 movement and activity related fields continue to explore the potential for multiple literacies this book introduces numerous
 possibilities both conceptual and practical for consideration Pre service and in service teachers in dance and physical
 education programs will learn how to integrate multiple literacies in curriculum design and teaching Graduate students will
 examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these
 topics Teachers school administrators coaches and athletic directors will use the book in order to guide the inclusion of
 movement and activity based fields in the disciplinary literacy agenda now common in Pre K through secondary schooling
