Romero, 2023-10-10 From Pushcart Prize nominated author Sofia T Romero comes a breathtaking debut collection of interrelated stories suffused with magical realism In stories that evoke the haunting beauty of New England beaches and resonate with a bittersweet loneliness Romero blurs the lines between life and death reality and fantasy A deceased woman counsels her son's fiancée on how to be a good wife to him with disastrous consequences A mysterious commanding cat appears in a young woman's home as inexplicable as the demise of her years long relationship with her boyfriend At turns humorous sorrowful and whimsical this collection spans the familiar setting of a college town supermarket and eerie dystopias that are not just postpandemic but postart Romero masterfully conveys the follies of youth and the regrets of life and a sense of loss of a relationship a child a time before pervades each page With this remarkable debut Romero joins the ranks of writers such as Brenda Peynado and Marytza K Rubio offering a superb collection of speculative fiction with a distinctly Latina perspective *We Have Always Been Who We Are* is at its heart a testament to the power of storytelling and an invitation to develop our inner strength through the imagination
