Getting to Know Ourselves and Others Through the ABCs Claudia Finkbeiner, Althier Lazar, 2015-01-01 This book is a valuable resource for teachers and other professionals who

are looking for a proven way to increase cultural appreciation and awareness New applications of the ABCs model of Cultural Understanding and Communication are presented and discussed in this new volume based on studies done in the United States and Canada and Europe In this ground breaking project the authors describe how the ABCs model complicated and challenged and changed the cultural perceptions of those who participated in it even those who were initially highly resistant to such possibilities At the heart of the project is the exchange of narratives life stories that give insight into the cultural worlds of selves and others In addition to the narratives other instruments including the Transcultural Competence Scale TCC provide further evidence of the positive impact of the ABCs on participants receptivity toward cultural differences In the TRANSABCs project researchers from both sides of the Atlantic invited teacher candidates students who will become workplace and other professionals to write an autobiography A of themselves from various cultural perspectives a biography B of an individual who is culturally different from themselves along particular dimensions and to use these documents to conduct cross cultural comparisons C between themselves and the person they interviewed Furthermore candidates developed culturally responsive ideas for the school or the workplace C These exchanges and analyses produced epiphanies and insights that translated into specific actions to improve cultural understanding and communication in classrooms and workplaces Educators and professionals can take from these examples to inspire their own personal journey toward greater cultural understanding and sensitivity

Latino Dropouts in Rural America Carolyn Hondo,Mary E. Gardiner,Yolanda Sapien,2008-03-13 This book affords Latino high school dropouts from rural communities in Idaho the opportunity to tell their stories in their own words It candidly reveals students school experiences explores why students leave school and looks at the impact of the No Child Left Behind Act 2001 Four of the nine students interviewed for the book passed NCLB mandated state graduation tests two others passed

two of three sections and all were capable of achieving success in school The decision to leave school was connected with students seeking personal satisfaction and to reduce the social psychological pain of schooling In certain cases principals and teachers blamed the Latino students for disadvantaging the school Latino Dropouts in Rural America presents a systematic approach for addressing the main problem a lack of cultural responsiveness in school curriculum instruction policies and practices The leadership plan recommended by the authors will help educators to understand the lives of rural Latino youth and to critique their own schools
