The author spent six years under psychiatric care before she found her way into a self and mutual help organisation In this setting she found total healing for what had been called an incurable illness In the course of 14 years of academic study writing several papers on the subject that had little or no effect she finally realised that getting the healing message to other sufferers would require a very different genre of writing This book a novel is that genre Drawing on 38 years of experience she has pieced together a coherent story of recovery Perhaps most significantly the characters and events are based on fact In Voice of the Witness six mentally ill people decide to meet regularly and share their experiences in order to help each other live a better life None believe that recovery is possible They find that the ordinary everyday things they do are remarkably healing They continue to explore issues and discover that much of their professional treatment has unwittingly fostered and nurtured their mental illnesses By the time the book ends four of the group are totally free of their illness and all medication The other two are psychologically sound and in the last stages of recovery Voice of the Witness is a life changing book This is the 12th book by Emma Pierce PhD of Newcastle Australia After recovering from mental illness she spent 38 years working with other sufferers as well as completing her doctorate on A Practical Theology of Mental Health Publisher s Website <http://www.strategicpublishinggroup.com> title VoiceOfTheWitness

New Testament Scholarship: Praphrase on John Desiderius Erasmus,Robert Dick Sider,Jane Ellen Phillips,1991-05
Erasmus yearned to make the Bible an effective instrument in the reform of society church and the life of individuals in the turbulent world the sixteenth century He therefore composed paraphrases in which the words of Holy Scripture provided the core of a text vastly expanded to embrace the reforming philosophy of Christ The Paraphrases were successful beyond expectation and were quickly translated from Latin into French German English and other languages This volume is the third Paraphrase to be published in the New Testament Scholarship series in the CWE In it Erasmus explores questions that have always been central to Christian self understanding Why is the cross folly to the wise of this world In the Paraphrase on John Erasmus hints broadly that the cause of human blindness lies in the arrogance of intellectual pretensions the love of vain glory the lust for possessions the fear of losing the supports that secure a comfortable way of life Perhaps nothing will please the reader more the portraits of the chief characters in John s Gospels We enjoy the simplicity of the lowly woman at the well we understand the complexity of the distinguished Nicodemus Above all we are captured by the portrait of Christ himself Upon the stage Erasmus has here designed Christ appears first in the humility of a lowly artisan from a despised country only to the discerning does his glory flash forth from his mortality a mortality vividly etched in the scene on the cross But in the last pages of the Paraphrase on John Erasmus sets before us in sharp dramatic contrast the resurrected Christ glorious with a radiant holiness Like Augustine in the City of God Erasmus attempts to define the relationship between the two worlds in which the Christian lives the heavenly and the spiritual and the earthly and physical Volume 46 of the Collected Works of Erasmus series *The Beloved and I ~ The Noble Qur'an* Thomas McElwain,2010-07-04 The Beloved and I The Sacred Scriptures in Verse with Verse Commentary contains a verse rendering of the Holy Qur an and hundreds of sonnet like commentaries **The Truth** Mohammad Rehman,2023-09-14 The Truth covers selected verses of the Quran which as per Islam is the book of God So are the Torah and the Gospels which were also sent directly from God through angels and messengers God s intention in all the Abrahamic religions was to keep things simple but over time we ve become divided Mortals and rulers have brought sects to religions adding new books and new laws The verdict from worshippers of different faiths is clear If you do not do this you are not a good Muslim if you do not do that you are not a good Christian if you do not keep your hair like this or dress like this you are not a good Jew The sermons keep coming making it difficult to keep up with religion The basics being a good person or being a caring and giving person are often no longer necessary to belong to a religion Faith has largely acquired a new identity which is hardly religious In this book Mohammad Rehman presents the right version of Islam which is hardly practiced anymore as the majority of people follow sects instead of the Quran alone
