And 54 more! Get practical advice along with creative ideas to help you get the most out of Photoshop. **Photoshop Secrets of the Pros** Mark

Clarkson, 2006-12-26 This has to be the most unusual book on Photoshop ever published. A very clever one too and a must have for dedicated Shopoholics. DingBat Magazine. *Photoshop Secrets of the Pros* is not your typical Photoshop book laboriously marching you through features, filters and techniques. This book throws you right into the thick of things, dropping you ringside for a series of digital duels and artistic collaborations. In this groundbreaking guide, top artists challenge each other in a series of Photoshop Tennis matches and you get to peer over their shoulders. You'll watch them put Photoshop through its paces, creating incredible new work under grueling deadlines. You'll see which tools and techniques they use and how and why they choose them when the clock is ticking and the world is watching. Open up this unique book and Get caught up in the action. Watch 20 of the world's top digital artists, photographers and web and print designers compete mouse to mouse. Eavesdrop on the experts. Enter the artists' heads as they explain each decision they make. Find out how it's done in the real world. See 100 pieces of original art dissected component by component and technique by technique. Discover pro secrets. Learn how Photoshop's basic tools are used to create fantastic effects in record time. Note: CD, ROM, DVD and other supplementary materials are not included as part of eBook file. **The Photoshop CS2 Speed Clinic** Matt Kloskowski, 2006

If you really want to harness the power of Adobe Photoshop CS2 and get things done faster than ever, you've come to the right place. Matt Kloskowski, Education and Curriculum Developer for the National Association of Photoshop Professionals, shows you how to use the power of automation to instantly save time, money and frustration. This book isn't about free actions or fancy keyboard shortcuts. Instead, it's about learning how to work faster, smarter and more efficiently in Photoshop by taking advantage of the many timesaving features it offers. Once you master these powerful tools, you'll wonder how you ever got along without them. *Photoshop 7 Trade Secrets* Colin Smith, Dave Cross, Janee Aronoff, Gavin Cromhout, 2019-06-12

How do you get the best out of Photoshop? It's a combination of knowing what you want and knowing how to do it properly, a mixture of creativity and acumen. As you learn more, you make fewer mistakes, your workflow becomes faster and you have more time to explore creative possibilities. This book is dedicated to showing you the tricks of the trade, to sharing the insider's knowledge which will speed up your work and to improving your understanding of Photoshop as a tool. The book is divided

into eight chapters in the first three we look at ways of improving your efficiency good selection techniques and how to use layers effectively In the next three chapters we look at practical applications of Photoshop for retouching and correction Web graphics and special effects The final two chapters look at the practicalities of Photoshop s configuration and hardware Throughout the book we cover the new features of Photoshop 7 so if you re not yet up to speed with the latest version we ll show you the way You ve mastered the basics of Photoshop and you re ready to move on to the next level this book is jam packed with the hints tips and advice from four Photoshop experts that you need to take you there To get the most information out of each of the authors that we possibly could we used a collaborative method of writing Each of the four authors chose two subject areas to be the main writer on and once they had finished writing the sections they were passed on to the other three authors for them to add their own tips and tricks to All these parts then went out to review and the reviewers themselves Photoshop users added their tips to the tip tank All of these tips then came together in editorial where they were ordered and polished In this way we hoped to maximize the amount of insightful and essential information and to give you the greatest benefit
