**Always a Bridesmaid (for Hire)** Jen Glantz, 2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious and insightful memoir about one New York City Millennial's journey to find herself her dream career and true love all while juggling a truly unique job as the world's only professional bridesmaid After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I'd be honored if you would be my bridesmaid At first she was delighted but it wasn't long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One She couldn't do much about the second thing though her mother would beg to differ but she could about the first One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid When she woke up the next morning it had gone viral What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger's wedding Fresh funny and surprisingly sweet *Always a Bridesmaid For Hire* is an entertaining reminder that even if you don't have everything together you can still be a total boss or at the very least a BFF to another girl in need
