Mentoring Across Boundaries Jean Boreen, Donna Niday, Mary K. Johnson, 2003 Designed for mentors administrators and teacher educators Mentoring Across Boundaries builds on the foundations of the authors previous book Mentoring Beginning Teachers to explore many of the specific issues that impact the mentoring relationship While there are general mentoring strategies that apply to nearly all programs the success of any individual mentoring situation is affected by the relationship between mentor and mentee the school environment the mentee's stage of career and other influences Among the issues the authors explore are age gender and culture in the mentoring relationship new teachers in urban or rural school environments veteran teachers moving across buildings or into a new school teachers working with at risk students mentoring burned out teachers self mentoring working with struggling teachers mentoring through technology The most recent report from the National Commission on Teacher and America's Future states that The conventional wisdom is that we can't find enough good teachers The truth is that we can't keep enough good teachers Mentoring has proven one of the most effective ways to keep teachers in the field With Mentoring Across Boundaries in hand mentors and administrators will find the guidance they need to navigate many of the rough spots that have the potential to derail successful mentoring

Radical Reads Joni Richards Bodart, 2002 Radical young adult fiction can be edgy and raw which is why young adults who read it find it to be very relevant to their lives Teens struggling with issues in today's society can often recognize themselves and identify their problems in the fictional lives they read about There are no easy answers or pat endings in these books They often are accused of being dark gritty and bleak

because they deal with subjects like incest teenage pregnancy dysfunctional families gangs prejudice violence drugs or other complex problems Central characters can be quite mature and multidimensional and plot lines are complex These books break boundaries in various ways from the challenge they present to the reader to the voice they give to their young protagonists Radical YA fiction is frequently more complex and better written than many adult bestsellers Bodart long known as the reigning queen of booktalking has identified 101 engaging tough and well written books and presents them in a way that will help the librarian defend their presence in the library or classroom the parent who wants to know what their child is reading and the teen who is looking for a Rad Read Naturally there is a booktalk to pique interest and give away just enough of the story Entries also include character lists and sections on subject areas and major themes Bodart also provides a number of booktalk and book report ideas Her section on risks will alert adults to mature themes while her section on strengths will help defend these books against their critics The author has also included awards won and a section of book reviews which will be useful for both adult and student All the books listed are accessible to readers of middle school ability and up This is truly a multipurpose book from an expert who knows her stuff and essential for any library serving a teen audience and handy for parents as well **School Library Journal** ,2002 The King's English Pb Betsy Burton,2006-08-09 Betsy Burton one of the owners of The King s English Bookshop in Salt Lake City Utah shares anecdotes from throughout the history of the store discussing employees author visits and the joys and challenges of running an independent bookstore and including reading lists in a range of subject areas **A Field Guide to the Classroom Library** Lucy Calkins,2002 Provides comprehensive and accessible leveled lists and guides for 1 200 children s trade books for kindergarten through 6th grade to help teachers build classroom libraries *The Publishers Weekly* ,2001 **Sound Ways of Knowing** Janet R.
