Online Film Production in China Using Blockchain and Smart Contracts Patrice Poujol, 2019-03-04 This book explores the use of Blockchain and smart contract technologies to develop new ways to finance independent films and digital media worldwide Using case studies of Alibaba and in depth on set observation of a Sino US coproduction as well as research collected from urban China Hong Kong Europe and the USA Online Film Production in China Using Blockchain and Smart Contracts explores new digital platforms and what this means for the international production of creative works This research assesses the change in media consciousness from young urban audiences their emergence as a potential participative and creative community within dis intermediated decentralised and distributed crowdfunding and crowdsourcing models This research proposes solutions on how these young emerging local creative talents can be identified and nurtured early on particularly those who now produce creative and artistic audiovisual content whether these works are related to film Virtual Reality VR video game graphic novels or music Ultimately a new media content finance and production platform implementing blockchain is proposed to bring transparency in the film sector and open doors to emerging artists in digital media Appropriate for both professionals and academics in the film industry as well as computer science The Films of Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives *The Routledge International Handbook of Jungian Film Studies* Luke Hockley, 2019-12-09 Winner of the IAJIS award for best edited book of 2018 The Routledge International Handbook of Jungian Film Studies weaves together the various strands of Jungian film theory revealing a coherent theoretical position underpinning this exciting recent area of research while also exploring and suggesting new directions for further study The book maps the current state of debates within Jungian orientated film studies and sets them within a more expansive academic landscape Taken as a whole the collection shows how different Jungian approaches can inform and interact with a broad range of disciplines including literature digital media studies clinical debates and concerns The book also explores the life of film outside cinema what is sometimes termed post cinema offering a series of articles exploring Jungian approaches to cinema and social media computer games mobile screens and on line communities The Routledge International Handbook of Jungian Film Studies represents an essential resource for students and researchers interested in Jungian approaches to film

It will also appeal to those interested in film theory more widely and in the application of Jung's ideas to contemporary and popular culture The Movie Business Book Jason E Squire,2016-08-05 Tapping experts in an industry experiencing major disruptions The Movie Business Book is the authoritative comprehensive sourcebook covering online micro budget movies to theatrical tentpoles This book pulls back the veil of secrecy on producing marketing and distributing films including business models dealmaking release windows revenue streams studio accounting DIY online self distribution and more First hand insider accounts serve as primary references involving negotiations management decisions workflow intuition and instinct The Movie Business Book is an essential guide for those launching or advancing careers in the global media marketplace

Through the Crosshairs Roger Stahl,2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper's gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon's eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence

The Defeated and the Dead Mark Percy,2024-07-01 How do we teach about war How can social studies teachers empower students to understand how wars are started how they are fought and how they are ended Films about war are featured in nearly all social studies classrooms across the US with practically every American teenager watching at least one historical film during their time in middle and high school Without the mandatory class viewing most of these movies would not have been seen by them otherwise Film is the medium through which most Americans learn about their national past But a passive viewing of a movie about war does little to help students learn to be critical thinkers about their country's choices In The Defeated and the Dead Teaching About War Through Film Dr Mark Percy outlines strategies and resources for teachers to incorporate movies about war into their classes in an effective thoughtful manner Employing elements of the Just War doctrine the basis for most international law and treaties this book highlights how teachers can make use of widely used films like *Saving Private Ryan* *Platoon* and *Glory* as well as other movies that span our nation's history from the American Revolution to modern conflicts By focusing on critical frameworks like Just War as well as featuring films both about war and the avoidance of war The Defeated and the Dead offers social studies teachers a valuable tool to approach difficult contentious topics in their classrooms **THE FINAL QUARTER** Ken Veit,2017-10-15 What to do with the Final Quarter of your life presumably post retirement Everything that those approaching or in retirement need to know but often are uncomfortable discussing or asking about The author treats serious subjects with wit and from his own experiences but he

does not shy away from expressing opinions that may offend some readers even as they encourage fresh thinking **Focus On: 100 Most Popular American Science Fiction Films** Wikipedia contributors, **This Happened Here** Paul Street, 2021-12-28 This book examines the Trump phenomenon and presidency as fascist Fascism here connotes not generically bad politics or a consolidated political economic regime Mussolini's Italy or Hitler's Germany but a set of political movement and ideological traits understood within the context of the neoliberal capitalist era While Trump's election defeat is a respite the nation is far from out of the neofascist woods Defeating the menace will require political and societal restructuring far beyond what is imagined by Democrats This argument is developed across seven chapters that recount Trump's assault on the 2020 election specifically define the meaning of fascism as it is used in this book demonstrate the neofascist nature of the Trump presidency engage intellectual class Trumpism fascism denial analyze the Trump base root Trumpism in a longstanding and indeed founding American white nationalism examine why Trump rose to power when he did and suggest paths for fascism proofing the USA **American Cinema of the 2010s** Dennis Bingham, 2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation's political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions [Focus On: 100 Most Popular Australian Films](#) Wikipedia contributors, *Transnational Film and the US Wars in Iraq & Afghanistan* Marzena Sokołowska-Paryż, Marek Paryż, 2025-01-15 This book offers insights into diverse non American national perspectives on the US led military interventions in Afghanistan and Iraq within the generic frames of the war film While the best known films about the post 9 11 wars in the Middle East are American productions various other national cinematographies have responded to these conflicts which is not surprising given the fact that international coalitions were formed to support the US military effort However non American war films about these US instigated interventions have received little attention outside their own national contexts This volume fills in the gap in the existing war film criticism by offering insights into how the Afghanistan War 2001 2021 and the Iraq War 2003 2011 have been represented in popular and documentary filmic productions in Iraq

Afghanistan Great Britain Germany Denmark Poland Spain and Australia The contributions prove the need for transnationalism as an eye opening perspective on the war film genre by underscoring nationally specific social political and aesthetic differences alongside important correspondences between cultural productions across nations Transnational film and the US wars in Iraq and Afghanistan will be a key resource for scholars and researchers of film studies media and cultural studies film history war studies literary criticism and sociology It was originally published as a special issue of Journal of War Culture Studies *Hymns for the Fallen* Todd Decker, 2017-03-03 Cover Contents Introduction PART I THE PRESTIGE COMBAT FILM 1 Movies and Memorials 2 Soundtracks and Scores PART II DIALOGUE 3 Soldiers Talk 4 Soldiers Song 5 Disembodied Voices PART III SOUND EFFECTS 6 Nothing Sounds Like an M 16 7 Helicopter Music PART IV MUSIC 8 Unmetered 9 Metered 10 Elegies 11 End Titles Acknowledgments Abbreviations Notes Works Cited Index A B C D E F G H I J K L M N O P R S T U V W Y Z **Imperial Benevolence** Scott Laderman, 2018-08-14 This is a necessary and urgent read for anyone concerned about the United States endless wars Investigating multiple genres of popular culture alongside contemporary U S foreign policy and political economy Imperial Benevolence shows that American popular culture continuously suppresses awareness of U S imperialism while assuming American exceptionalism and innocence This is despite the fact that it is rarely a product of the state Expertly coordinated essays by prominent historians and media scholars address the ways that movies and television series such as Zero Dark Thirty The Avengers and even The Walking Dead as well as video games such as Call of Duty Black Ops have largely presented the United States as a global force for good Popular culture with few exceptions has depicted the U S as a reluctant hegemon fiercely defending human rights and protecting or expanding democracy from the barbarians determined to destroy it **Revista Philohistoriss, an I, nr. 2, decembrie 2015** Asociația Philohistoriss, 2015-12-20 **Film Censorship in America** Jeremy Geltzer, 2017-11-28 Since the first films played in nickelodeons controversial movies have been cut or banned across the United States Far from Hollywood regional productions such as Oscar Micheaux s provocative race films and Nell Shipman s wildlife adventures were censored by men like Major M L C Funkhouser the terror of Chicago s cinemas and Myrtelle Snell the Alabama administrator who made the slogan Banned in Birmingham famous Censorship continues today with Utah s case against Deadpool 2016 pending in federal court and Robert Rodriguez s Machete Kills 2013 versus the Texas Film Commission This authoritative state by state account covers the history of film censorship and the battle for free speech in America **Politics and Film** Daniel P. American Sniper Movie Online Introduction

In today's digital age, the availability of American Sniper Movie Online books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of American Sniper Movie Online books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of American Sniper Movie Online books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing American Sniper Movie Online versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, American Sniper Movie Online books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing American Sniper Movie Online books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for American Sniper Movie Online books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, American Sniper Movie Online books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of American Sniper Movie Online books and manuals for download and embark on your journey of knowledge?
