American Sniper Jacksonville:

The Greatest Stories Never Told: Snipers Laurence J. Yadon, 2019-05-01 *The Greatest Stories Never Told Snipers* is an unforgettable collection of heart stopping stories of well known contemporary American snipers but focuses primarily upon other practitioners of the silent art who few contemporary readers in this genre have encountered before They begin in south central France at the dawn of the Thirteenth Century and end in our present era of modern warfare They include stories from the Civil War the Great War World War II Korea Vietnam Afghanistan and Iraq and more *Jacksonville* James B. Crooks, 2019-07-09 In the 1950s and 60s Jacksonville faced daunting problems Critics described city government as boss ridden expensive and corrupt African Americans challenged racial segregation and public high schools were discredited The St Johns River and its tributaries were heavily polluted Downtown development had succumbed to suburban sprawl Consolidation endorsed by an almost two to one majority in 1967 became the catalyst for change The city's decision to consolidate with surrounding Duval County began the transformation of this conservative Deep South backwater city into a prosperous mainstream metropolis James B Crooks introduces readers to preconsolidation Jacksonville and then focuses on three major issues that confronted the expanded city racial relations environmental pollution and the revitalization of downtown He shows the successes and setbacks of four mayors Hans G Tanzler Jake Godbold Tommy Hazouri and Ed Austin in responding to these issues He also compares Jacksonville's experience with that of another Florida metropolis Tampa which in 1967 decided against consolidation with surrounding Hillsborough County Consolidation has not been a panacea for all the city's ills Crooks concludes Yet the city emerges in the 21st century with increased support for art and education new economic initiatives substantial achievements in downtown renewal and laudable efforts to improve race relations and address environmental problems Readers familiar with Jacksonville over the last 40 years will recognize events like the St Johns River cleanup the building of the Jacksonville Landing the ending of odor pollution and the arrival of the Jaguars NFL franchise During the administration of Mayor Hazouri from 1987 to 1991 Crooks was Jacksonville historian in residence at City Hall Combining observations from this period with extensive interviews and documents including a cache of files from the mezzanine of the old City Hall parking garage that contained 44 cabinets of letters memos and reports he has written an urban history that will fascinate scholars of politics and governmental reform as well as residents of the First Coast city A volume in the Florida History and Culture Series edited by Raymond Arsenault and Gary R Mormino *Focus On: 100 Most Popular American Autobiographers* Wikipedia contributors, **The War Comes with You** Stacey Peebles, 2024-12-12 How do we tell twenty first century war stories when the wars seem to go on forever In the post 2011 surge of war stories published in America and Iraq the defining characteristic is the depiction of combat violence that crosses borders overtakes civilian spaces and disrupts chronology In *The War Comes with You* Enduring War in Life Fiction and Fantasy Stacey Peebles picks up where her groundbreaking first book *Welcome to the Suck* Narrating the American Soldier's Experience in Iraq left

off Via careful readings of fiction memoir and poetry by writers such as Ben Fountain Siobhan Fallon Brian Turner and Hassan Blasim as well as recent superhero and Star Wars films Peebles argues that in the face of real and fantasy forever wars things fall apart Language identities bodies and even the stories themselves fragment These narratives suggest that people need not accept incoherence and there is a range of meaningful responses to the experience of everywhere all the time war Peebles illustrates what to do that is when war comes with you
