Social Deviance Tim Delaney, 2017-06-16 The topic of social deviance is inherently intriguing People in general and college students in particular find the topic of deviant behavior fascinating This can be explained at least in part by a combination of the subject matter itself our own past deviant behaviors and our willingness and desire to evaluate and comment on the behaviors of others While the topic of deviant behavior seems straightforward at the surface the study of social deviance reveals how complicated it really is Although Social Deviance utilizes a textbook style approach in its coverage of deviant behavior this comprehensive straightforward and student friendly book maintains student interest because of the author s use of real life phenomena and current examples Each chapter includes chapter objectives an introductory story a glossary of key terms discussion questions and boxed material The boxed materials include A Closer Look box that zooms in on topics that warrant deeper explanation and a Connecting Social Deviance and Popular Culture box that shows how contemporary forms of popular culture illustrate deviant behavior

Last Rights Professor Jeffrey B. Simon, 2023-12-01 Last Rights The Fight to Save the 7th Amendment shines a bright spotlight on a grave but often overlooked effort by large corporate interests to undermine America s civil justice system and consumer rights Trailblazing plaintiff s lawyer Jeffrey B Simon wrote this book as a rallying cry for anyone who has ever been wronged by a rigged system of laws Through riveting tales of real courtroom drama Simon exposes the insidious influence of corporate greed and political power weaponized to repeal personal rights and weaken public safety Last Rights is a wake up call to consumers and lawmakers to take collective corrective action before restoration of our civil justice system becomes unachievable This is essential reading for anyone who cares about the

future of our country and a call to action for those who believe in justice and fairness

Reviews

At a pivotal moment in American history when we face an assault on our constitutional democracy my friend Jeffrey B Simon's book is an essential read Beautifully written with erudition and personal stories Simon underlines the importance of our right to trial by jury in ensuring justice and equality

Matthew Dowd Senior Political Analyst for MSNBC News Jeffrey Simon has written a highly compelling but damning account of the damage that has been done to our rights to a jury in civil trials as guaranteed by the Constitution The 7th Amendment has been gutted by corporate interests in this country and Simon's book is a timely call to restore it

Senator Russ Feingold President of the American Constitution Society Last Rights is a must read for anyone who cares about public health protection of personal freedoms and how they fit together Simon's book masterfully connects those dots
