Focus On: 100 Most Popular American 3D Films Wikipedia contributors, [The Films of Clint Eastwood](#) Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives

Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando José Prats explores in Hollywood's Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the

immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats's analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts

Corporate Conspiracies Richard Belzer,David Wayne,2017-05-09 From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America Here is an explosive account of wrongful acts perpetrated and the ensuing cover ups inflicted upon us by American corporations The bestselling author team of Richard Belzer and David Wayne exposes the ways that the capitalist regime has got us under their thumbs from the mainstream media and its control over us to the trillions stolen by big banks and mortgage companies during the mortgage crisis to the scams perpetrated by Big Oil and Big Pharma The one common victim of all that corruption is the American public and Corporate Conspiracies wants to do something about it Corporate Conspiracies takes dead aim at those who take advantage of us little guys Probably most disturbing is the book s examination of politics and capitalism teaming up against us how politicians and lobbyists all have their hands in each other s pockets while stabbing us in the back and how the well established energy lobby which is petroleum natural gas and coal has played a dominant role in the shaping of US foreign policy for decades Did you know that companies at times know that their products will kill people but they do nothing because it is actually cheaper to compensate the victims than it is to correct the problem And did you know that the Pentagon is sending 1 5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America Skyhorse Publishing as well as our Arcade imprint are proud to

publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

America: The Farewell Tour Chris Hedges, 2019-08-27 Chris Hedges's profound and unsettling examination of America in crisis is an exceedingly provocative book certain to arouse controversy but offering a point of view that needs to be heard Booklist about how bitter hopelessness and malaise have resulted in a culture of sadism and hate America says Pulitzer Prize winning reporter Chris Hedges is convulsed by an array of pathologies that have arisen out of profound hopelessness a bitter despair and a civil society that has ceased to function The opioid crisis the retreat into gambling to cope with economic distress the pornification of culture the rise of magical thinking the celebration of sadism hate and plagues of suicides are the physical manifestations of a society that is being ravaged by corporate pillage and a failed democracy As our society unravels we also face global upheaval caused by catastrophic climate change All these ills presage a frightening reconfiguration of the nation and the planet Donald Trump rode this disenchantment to power In his forceful and direct Publishers Weekly America: The Farewell Tour Hedges argues that neither political party now captured by corporate power addresses the systemic problem Until our corporate coup d'état is reversed these diseases will grow and ravage the country With sharply observed detail Hedges writes a requiem for the American dream Kirkus Reviews and seeks to jolt us out of our complacency while there is still time

Through the Crosshairs Roger Stahl, 2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper's gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon's eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence

Scripture, Cultures, and Criticism K. K. Yeo, 2022-08-23 This collection of nineteen representative essays is a Festschrift written by former colleagues and students in honor of Prof Dr Robert Jewett 1933-2020 and his legacy Our hope is that future generations of Bible readers will find this textbook on biblical interpretation helpful for navigating through the strong winds of exegetical theological and hermeneutical methods Jewett's expansive research interests have inspired each author in this tribute volume each of whom has witnessed to the ways that helmsman Jewett has navigated through the often choppy ocean waters of biblical interpretation as well as the complex changing world

The Top Books of the Year American Sniper X Movies The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. American Sniper X Movies : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
