Sarah Yoder is learning to serve her Old Order Amish community as a *Dokterfraa*, creating teas and tinctures from the herbs in her garden and fields. But her latest patient isn't responding to anything she concocts. A woman who in Sarah's mind would be better off in any place but the one she has. Meanwhile, Sarah's relatives can't resist doing some matchmaking between her and a prosperous visitor to their community. She should be willing for God to show her His choice of partner and not allow her friendship with her neighbor Henry Byler to grow into anything more. Henry has seen some success as a potter since a major department store chain commissioned his work. The trouble is that they're telling the world he's Amish. Though he was raised in the faith and now lives in Amish country, he never joined church and doesn't plan to. Which also means that despite the attraction between them, he must keep his distance from Sarah.
