**New Dark Age** James Bridle, 2019-05-21 New Dark Age is among the most unsettling and illuminating books I've read about the Internet which is to say that it is among the most unsettling and illuminating books I've read about contemporary life New Yorker As the world around us increases in technological complexity our understanding of it diminishes Underlying this trend is a single idea the belief that our existence is understandable through computation and more data is enough to help us build a better world In reality we are lost in a sea of information increasingly divided by fundamentalism simplistic narratives conspiracy theories and post factual politics Meanwhile those in power use our lack of understanding to further their own interests Despite the apparent accessibility of information we're living in a new Dark Age From rogue financial systems to shopping algorithms from artificial intelligence to state secrecy we no longer understand how our world is governed or presented to us The media is filled with unverifiable speculation much of it generated by anonymous software while companies dominate their employees through surveillance and the threat of automation In his brilliant new work leading artist and writer James Bridle surveys the history of art technology and information systems and reveals the dark clouds that gather over our dreams of the digital sublime

**Novice Youth Director** L. Seth Duhs, 2023-06-15 After being on staff for nearly a month the youth director was suddenly summoned into the senior pastor's office The pastor quickly shut the door and skipping all pleasantries boldly announced I do love to help you I just don't have time for you Uncertain of how to respond and with no questions allowed the youth director was dismissed That was the last meeting he ever had with the senior pastor Weren't there supposed to be ample amounts of excitement for the newly appointed fresh youth director This fresh but now confused youth director wanted to do a good job but had no idea where to begin He was young and everyone was too busy to mentor him even when he had asked for help Perhaps you're in a similar situation but you're hesitant to admit it out loud This book is a practical guide aimed at helping anyone struggling with escaping the tempting isolated island of youth ministry and building a network of kingdom minded students parents and church members focused on living for Jesus Christ in what sometimes seems like a Jesus less world
