American Sniper Near Me:

Marine Scout Snipers Lena Sisco, 2016-09-01 Author Lena Sisco a former Department of Defense Military Interrogator and U S Navy officer takes the reader through the missions and personal lives of U S Marines who have been forward deployed in hostile environments all across the Middle East She shows how they use the mastery of their sniper skills to mitigate threats and negate the enemy's ability to disrupt U S operations Her book lets you feel the stress and anxiety of their operational tempo you witness their successes and failures their struggles and lessons learned Snipers are highly trained brave silent killers They undergo specialized training and operate independently with little support from their parent commands close to enemy positions Snipers are chosen based on their marksmanship mental stability patience and physical ability They stalk the enemy while concealed in their operational overwatches to protect our checkpoints and convoys and to direct action missions Despite the renown of Chris Kyle and the extraordinary success of the book and movie American Sniper snipers do not have lead lives of glory and fame their lives are a struggle Serving as a sniper requires that you do your job successfully every time because the consequences of not being successful include the loss of innocent lives or living with other consequences that can haunt a shooter till the day he dies In the end just like any other service members they put their lives on the line willingly to defend our freedom and liberties and our country

Iraq + 100 Hassan Blasim, 2025-09-23 One of NPR's Best Books of 2017 A groundbreaking anthology of science fiction from Iraq that will challenge your perception of what it means to be The Other History is a hostage but it will bite through the gag you tie around its mouth bite through and still be heard Operation Daniel In a calm and serene world one has the luxury of imagining what the future might look like Now try to imagine that future when your way of life has been devastated by forces beyond your control Iraq 100 poses a question to Iraqi writers those who still live in that nation and those who have joined the worldwide diaspora What might your home country look like in the year 2103 a century after a disastrous foreign invasion Using science fiction allegory and magical realism to challenge the perception of what it means to be The Other this groundbreaking anthology edited by Hassan Blasim contains stories that are heartbreakingly surreal and yet utterly recognizable to the human experience Though born out of exhaustion fear and despair these stories are also fueled by themes of love family and endurance and woven through with a delicate thread of hope for the future At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Modern American Snipers Chris Martin, 2014-12-16 An inside look at today's special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor Navy Cross and countless other honors These are the most experienced warriors on

the battlefield oftentimes the units best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Chris Martin's *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best including The Legend Chris Kyle SEAL Team 3 Chief and the most lethal sniper in U S military history The Reaper Nick Irving the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills Robert Horrigan Delta sniper who played a critical role in Operation Anaconda Don Hollenbaugh Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah And many more *Sniper* Gina Cavallaro, Matt Larsen, 2010-09-01 Heart pounding real life tales from the military's most experienced snipers the best of the best snipers in action today Gunfights long distance shots stalking and more **Answering Their Country's Call** Michael H. Rogers, 2002 Michael H Rogers present the stories of 31 Marylanders told in their own words each shedding light on the large role played by a small state in the great struggle against tyranny **Spirited Hardbodies** Julia Derek, 2023-08-20 It was only yesterday that Six Packs gym owner Celeste Jones helped its resident ghost Lennie solve a third murder Little did she know she unwittingly signed up to be the sleuthing ghost's sidekick when she bought the flailing health club Lennie must solve five murders before he can enter the afterlife to atone for being a bad human while alive He may drive her bonkers but she simply can't say no when he asks for help Plus it's not like she has a choice the way the bodies are piling up at Six Packs Thankfully she has befriended an FBI agent who so far has helped her keep the murders under wraps A very hot FBI agent who she thinks about way too often Then Six Packs most prestigious member falls off a treadmill and dies Lennie has inside information the incident wasn't an accident It's only a matter of time before the authorities realize that Celeste must find the killer before that happens to have a chance of keeping this murder under wraps too or it may very well be the end of Six Packs *The Man Who Shot Chris Kyle* Fabien Nury, 2022-02-02 The true story behind the murder of renowned American sniper Chris Kyle Inspired by the poignant story of Chris Kyle a Navy SEAL sniper who earned several awards for his service before his murder in 2013 Discover a unique graphic novel from award winning writer Fabien Nury The Death of Stalin and artist Br no Tyler Cross illustrating the events leading up to the death of American hero Chris Kyle which came only a year after publishing his autobiography This tragic tale adapts part of his memoir while also exploring the consequences and fate of those left behind after he was killed **World War II Snipers** Gary Yee, 2022-05-04 This illustrated military history reveals the untold story of WWII snipers from training and firearms to combat and field operations Though snipers played a significant role in the battlefields of World War II they are often overlooked by historians In this volume military historian and firearms expert Gary Yee offers a comprehensive and fully illustrated narrative of snipers across the major theaters of conflict Europe the Eastern Front and the Pacific Drawing on memoirs archives wartime photographs and eyewitness accounts *World War II Snipers*

presents a compelling and authoritative study Each of the warring countries had its own unique methodology for selecting and training snipers They recruited hunters outdoorsmen competitive shooters and military veterans to take on this highly skilled role They were deployed to ensure battlefield dominance and instill a paralyzing fear among the enemy Yee tells the stories of these soldiers who were both admired and at times reviled by their own comrades He also includes a lengthy chapter on the sniper rifles and other equipment issued to snipers Congressional Record United States. him *Doc Shawn MacSwan*,2019-02-12 On Christmas Eve 1967 Doc arrives in South Vietnam and is placed in the Army's 9th Infantry Division where he is a part of the joint operations between the Army and the Navy's Mobile Riverine Force He begins his service as a green pale faced outsider of the war with a soul not yet afflicted by the terrifying sounds and horror of combat This book takes the reader on a painful journey through the eyes of a combat medic who served an infantry platoon during the 1968 Tet Offensive Where Doc MacSwan's unit suffered with over a 90% casualty rate **Cults Like Us** Jane Borden,2025-03-25 For readers of *Fantasyland* and *Cultish* a colorful and enlightening pop history that explains why the eccentric doomsday beliefs of our Puritan founders are still driving American culture today contextualizes the current rise in far right extremism as a natural result of our latent indoctrination and proposes that the United States is the largest cult of all Since the Mayflower sidled up to Plymouth Rock cult ideology has been ingrained in the DNA of the United States In this eye opening book journalist Jane Borden argues that Puritan doomsday belief never went away it went secular and became American culture From our fascination with cowboys and superheroes to our allegiance to influencers and self help susceptibility to advertising and undying devotion to the self made man Americans remain particularly vulnerable to a specific brand of cult like thinking With in depth research and compelling insight Borden uncovers the American history you didn't learn in school including how we are still being brainwashed making us a nation of easy marks for con artists and strong men Along the way she also revisits some of the most fascinating cults in this country including the Mankind United and Love Has Won presenting them as integral parts of our national psyche rather than aberrations **The Last Punisher** Kevin Lacz,Ethan E. Locke,Lindsey Lacz,2016-07-12 A first person account of the Iraq War from a Navy SEAL who was part of SEAL Team 3 with American Sniper Chris Kyle describes their legendary unit The Punishers and provides gripping details of their missions in Ramadi NoveList **A Walk in the Park, With Monsters** D. Roland Hess,2019-02-07 I'm a nerd A nerd for magic But now I'm buff P When the Praecants have decided that you're working for them or else you don't have a lot of choice in the matter It could be worse I got beaten into way better shape learned a lot about tracking and killing magical creatures and finally made a genuine friend who shares my interest in magical technology Of course Babd is still running around spreading her own kind of adorable chaos All of this stuff the other worlds the proximity to magic maybe even Babd herself is starting to get inside my head And what's with all the magical creatures that have started popping up I'm still a nerd at heart but things are changing Follow Lincoln Babd Fox Gwen and some new friends as they try to secure a summit of the world's most powerful Praecants in Pittsburgh of course None of them trust each other so holding it in a place where magic barely works is the only way to get them all in the same room Will Lincoln stop being so nerdy Will Fox find a sentient holster and settle down Will Babd ever eat her kibble Download it now Warnings language and violence Q A with the Author LFBD had a strong set of themes What are the themes for *A Walk In The Park* LFBD's over riding theme was the cycle of behavior drives biology drives behavior and I crafted a lot of the arcs to specifically show how that cycle can lead one in

different directions both good and bad Walk takes on something a little bit but not entirely different which is what happens when our own psychology and minds collide with and are influenced by those of others around us And what if those around us aren't merely humans but magic users creatures from different planes of existence and even demigods I guess the full theme is How we defend the Self against the influences the Other and maybe we don't always want to It's not nearly as succinct as LFBd but it worked This book has a lot more magical creatures How did you come up with them Well there's a part of the book where Gwen is telling Lincoln that he's become a monster hunter and she uses a very specific word instead of monster I thought it would be fun to take creatures from that other well known mythology as the descriptive basis for the morphs in Walk They aren't actually that but it was certainly the inspiration You'll have to get to that part of the book to see exactly what I'm talking about Some parts of Walk touch on the Holocaust That's a sensitive topic How did you handle it From the time I had the idea of how that was going to weave into the story I wanted to make sure that it did so in a respectful manner I specifically included some friends from the Jewish community with family ties to that awful point in history in the beta reading group and asked for their frank feedback I was prepared to cut or alter the manuscript if it hit them with any level of offense I'm glad to say that it did not so that part of the story stayed intact How do you keep the longer running action sequences clear and coherent For the big set pieces I usually have a vague idea of how they should flow To get the details I drag out action figures and stuffed animals and then play the sequence out physically Things occur to you when you do it that way that I find hard to hold entirely in my head It's like Oh this person has no idea that other person is there how would that change their reaction I feel like it lends physical grounding to the scenes because they are physically grounded It's solid in my head and that comes through in the prose I would still like to buy a Babd Babd is still not for sale **The 1st Assassin: A Unit 22 Thriller** Mainak Dhar, 2023-07-27 About The Book The 1st Assassin A Unit 22 Thriller The 1st Assassin A Unit 22 Thriller I once worked for the government going into missions that never officially happened killing enemies we never officially killed They gave me a bunch of medals partly for doing my job well mostly to keep my mouth shut I still work for the government but now I ride a desk barely tolerated by my boss barely tolerating myself My world is turned upside down when I am put on a task force investigating an assassination plot against the US President Nothing is as it seems the enemy always seems to be one step ahead of us and I must keep myself and those I care about alive long enough to get to the bottom of this conspiracy The clock is ticking the body count is mounting and the assassins never stop coming
