**Gonzo Governance** David L. Altheide, 2022-10-24 Drawing on social science and communications theory *Gonzo Governance* offers a new interpretation of presidential power that shifts focus to the media dynamics that surrounded Donald Trump The former president's unhinged behavior and skilled media and digital manipulations changed the nature and process of significant governance at the federal and state levels including denying election results and restricting voting opportunities He went Gonzo promoting himself without regard for

conventional norms and practices and blasted ideological fault lines into explosive political fragments resulting in so much dissensus that numerous legislators would not recognize the newly elected President Biden nor would they agree to take a potential life saving vaccine because it had been associated with a politicized virus COVID 19 Nurtured by media logic and a communications ecology that has wedded people to digital technologies and formats that govern the structure grammar form expectations and meanings of messages that can entertain enlighten and disinform this form of governance alters the fundamental way that information is communicated David L Altheide emphasizes how these changes informed Donald Trump s electoral strategies as well as the insurrection attempt on the U S Capitol on January 6 2021 Talking Pictures Ann Hornaday,2017-06-13 A veteran film critic offers a lively opinionated guide to thinking and talking about movies from Casablanca to Clueless Whether we are trying to impress a date after an art house film screening or discussing Oscar nominations among friends we all need ways to look at and talk about movies But with so much variety between an Alfred Hitchcock thriller and a Nora Ephron romantic comedy how can everyday viewers determine what makes a good movie In Talking Pictures veteran film critic Ann Hornaday walks us through the production of a typical movie from script and casting to final sound edit and explains how to evaluate each piece of the process How do we know if a film has been well written above and beyond snappy dialogue What constitutes a great screen performance What goes into praiseworthy cinematography editing and sound design And what does a director really do In a new epilogue Hornaday addresses important questions of representation in film and the industry and how this can and should effect a movie watching experience Full of engaging anecdotes and interviews with actors and filmmakers Talking Pictures will help us see movies in a whole new light not just as fans but as film critics in our own right *Combat Death in Contemporary American Culture* Agnieszka Soltysik Monnet,2020-12-16 Combat Death in Contemporary American Culture Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination **Johnny Eagle, An American Indian - My Best Friend** ARLEY PINO,2011-07-30 Johnny Eagle an Apache Indian and Charley a white boy become best of friends at the age of eight They survive the Great Depression extreme prejudice because Johnny is an Indian intimidation by an influential lawyer and his crooked sheriff because they witness a murder that involved the lawyer The boys and their families are threatened
