American Sniper Liar:

Focus On: 100 Most Popular American Autobiographers Wikipedia contributors, *Sweet Liar* Debra Doxer, 2015-10-20 Sometimes lies are sweeter than the truth Beauty is alluring it can disguise the ugliness beneath But scarred beauty is even more potent to a girl who vowed never to let her heart be broken again It was an easy vow for Candy to keep until she met Jonah an arrogant boy with a face that would be too perfect if not for the scar that marred the skin beside his eye That imperfect boy earned her trust and won her heart but the ties that bind people together are fragile especially when lies are told Trust is also fragile and once broken doesn't heal like a heart Trust has to be earned again and Jonah desperately wants Candy's trust back But Candy has more than Jonah to worry about Her father is in trouble and she intends to help him whether he likes it or not People tell her he's a bad man and that may be true but he's not all bad Deep down she understands his brand of badness because she's so much like him When Candy finally learns the truth she'll have to grow up fast let go of old grievances and realize that being vulnerable doesn't make her weak In fact opening herself up may be the very thing that makes her whole again
