The Levant Express Micheline R. Ishay, 2019-08-20 A surprisingly hopeful assessment of the prospects for human rights in the Middle East and a blueprint for advancing them The enormous sense of optimism unleashed by the Arab Spring in 2011 soon gave way to widespread suffering and despair Of the many popular

uprisings against autocratic regimes Tunisia's now stands alone as a beacon of hope for sustainable human rights progress Libya is a failed state Egypt returned to military dictatorship the Gulf States suppressed popular protests and tightened control and Svria and Yemen are ravaged by civil war Challenging the widely shared pessimism among regional experts Micheline Ishay charts bold and realistic pathways for human rights in a region beset by political repression economic distress sectarian conflict a refugee crisis and violence against women With due attention to how patterns of revolution and counterrevolution play out in different societies and historical contexts Ishay reveals the progressive potential of subterranean human rights forces and offers strategies for transforming current realities in the Middle East the Law of Occupation Hanne Cuyckens, 2017-10-23 In Revisiting the Law of Occupation Hanne Cuyckens assesses the crucial challenges faced by the law of occupation Through examples such as the occupation of the Palestinian Territories and the 2003 occupation of Iraq the author convincingly demonstrates that although the law of occupation may no longer be perceived as adequate to address contemporary forms of occupation a formal modification of the law is neither desirable nor feasible The author identifies means by which the potential dichotomy between the law and the facts can be addressed without formal modification of the former 1 flexible interpretation of the law itself 2 the role of International Human Rights law as gap filler and 3 the role of the UNSC as a modulator of the law **Human Rights in Turkey** Hasan Aydin, Winston Langley, 2020-12-09 The book provides the historical setting of Turkey related to the development of democracy human rights issues the treatment of cultural and ethnic minorities and the short and long term consequences of the crackdown including impacts on individuals institutions like education and the media the criminal justice system the economy and Turkey s standing in the international community Since the foundation of the Republic of Turkey the military and the media have been the main traditional powers of oppressive secularist and nationalist regimes in the country After a period of initial reforms rather than eliminating the structures of the authoritarian state Recep Tayyip Erdo an seized the levers of power and used them aggressively against his political enemies He turned Turkey into a one man regime after the failed coup attempt on July 15 2016 and his actions included the widespread violation of human rights This book tells the tale of the consequences of the measures taken after the failed coup attempt that have adversely impacted the development of democracy and human rights in Turkey altering the nation's course of history Beginning with a State of Emergency that was declared in July of 2016 Turkey has moved to a more authoritarian state Among the consequences of the actions taken have been imprisonment of hundreds of thousands the shuttering of media the dismissal of public employees the dismissal of academics jailed elected Kurdish politicians and the misuse of the criminal justice to victimize the population Adverse effects have included widespread violations of human rights torture and mistreatment of prisoners false imprisonment and the absence of the right to a fair trial This book examines some of the thorniest questions of Turkish democratization and human rights including the underlying reasons for the decay of democracy and what has happened as a result of this decay Among these is a

deterioration of the educational system a reduction in economic stability the absence of the rule of law and due process a radical transformation of the country and violations of universal human rights Endorsements As one who knows people who have been victimized by the authoritarian regime in Turkey Human Rights in Turkey provides unique insights and perspectives on the changes that have befallen his wonderful country It is truly insightful David L Carter Ph D Michigan State University Human Rights in Turkey Assaults on Human Dignity fills a major gap in contemporary political scholarship Its elucidation of Turkey's democratic backsliding into a one man authoritarian regime is insightful and unique Absolutely required reading for anyone who cares about this beautiful country its wonderful people and its uncertain future Kati Piri Member of the European Parliament and Delegation to the EU Turkey Joint Parliamentary Committee Aydin's and Langley's book addresses critical issues in a critical case Turkey had been regarded as a rising democracy in a troubled region but in recent years the country has experienced troubling signs of democratic erosion Central to that decline is the precarious status of basic human rights of expression association religion and due process This book explores what has happened and how it affects individuals and the Turkish polity more broadly John M Carey Ph D Wentworth Professor in the Social Sciences Dartmouth College NH USA Turkey was once a poster boy of the league of modernizing countries a staunch ally of the West an almost democracy that would become better soon enough It might even be the first Muslim country to join the European Union That image now lies shattered under the erratic one man show of Tayyip Erdo an The police state reigns supreme opposition is cowed the courts are in shambles and more journalists are jailed for their opinions than in any other country How did it all come to this pass This collection of essays examines the visible and obscure causes of the catclysmic events that have transformed Turkey They question the long established state of semi freedom under secular rule as well as the Islamic challenges that have arisen since Erdo an s rise to power Sevan Nisanyan Historian Linguist and Political Refugee Greece Situated right at the border between East and West Turkey and its volatile political development continues to attract attention from people interested in the prospect for democracy This book offers an impressive and thorough account of the recent democratic backsliding and reveals that not only the hope for a consolidation of liberal democracy but also large sections of the population are victims of rising authoritarianism Jacob Torfing PhD Professor in Politics and Institutions Roskilde University Denmark A fascinating book detailing the rapid deterioration of human rights in Turkey involving false imprisonment job dismissals media restrictions and due process violations A careful examination of the swift decline of democracy transforming a prospering country into one where economic educational and social stability and the operation of the justice system were impacted by a government declaration of a State of Emergency A comprehensive analysis of the ways in which a society changes when human rights are not enforced in accord with the principles of due process and the rule of law Jay Albanese PhD Virginia Commonwealth University Wilder School of Government Public Affairs As a human rights activist and a victim of severe human rights violations in Turkey I recognize the value of the chapters as they provide a

thorough examination and analysis of subjects regarding Human rights violations in Turkey The book comprehensively chronicles the events pertaining to the steady rise of political authoritarianism. The relevancy of the issues addressed in each chapter make the book important in regard to the emerging civil society movement in Turkey Furthermore the descriptions of the severe decline of human rights and the democratic backsliding towards authoritarianism and facism during the last decade in Turkey highlights the significance of the book Haluk Savas PhD Professor of Psychiatry Psychotherapist And Editor in Chief of KHK TV Voice of Rights Turkey Human rights violations are a world wide phenomenon occurring in various capacities and to varying degrees in each country However unique to Turkey is the rapid increase in violations that are not the result of deeply rooted social practices but rather are contingent upon political decisions. Therefore the cases of these violations are worthy of study Hercules Millas PhD Political Scientist Greece We are living in a Geography of Genocide Historically Unionists committee of union and progress who committed the 1915 Armenian Genocide established the Republic of Turkey As a result a distorted history and official ideology for the state was established Furthermore redlines in the country such as the Kurdish Question the Armenian Genocide and the Cyprus Issue were fabricated Until today the Turkish Republic remains in denial of the problems that have caused major human rights violations This book chronicles a very important reality that evaluates the core state structure in Turkey which remains intact even though rulers have changed through human rights violations Eren Keskin Lawyer and Human Right Activist The Vice president of the Human Rights Association Turkey **Human Rights Culture in Indonesia** Max Regus, 2021-06-08 Drawing on human rights discourse and a study of the difficulties faced by religious minority groups using the Ahmadiyya minority group as a case study this book presents three interconnected challenges to human rights culture in Indonesia First it presents a normative challenge describing the gap between philosophical and normative principles of human rights on one side and the overall problems and critical issues of human rights at national and local levels on the other Second it considers the political problems in developing and strengthening human rights culture The political challenge addresses the ability or inability of the state to guarantee the rights of certain individuals and minority groups Third it examines the sociological challenge of majority minority group relationships in human rights discourse and practices This book describes the background of human rights in Indonesia and reviews the previous literature on the issue It also presents a comprehensive review of the discourses about human rights and political changes in contemporary Indonesia The analysis focuses on how human rights challenges affect the situation of religious minorities looking in particular at the Ahmadiyya as a minority group that experiences human rights violations such as discrimination persecution and violence The study fills out its treatment of these issues by examining the involvement of actors both from the state and society addressing also the politics of human rights protection

Chemical Control Michael Crowley, 2016-01-26 This thoroughly researched study highlights the international community s failure to regulate contemporary state research development marketing and or deployment of riot control agents and

incapacitating chemical agent weapons Human Rights Violations in Kashmir Piotr Balcerowicz, Agnieszka Kuszewska, 2022-05-26 The book is a comprehensive study on human rights in Kashmir in relation to the dynamics of Indo Pakistani policies providing a structured and interdisciplinary approach to the subject Whilst surveying some of the most appalling case studies of human rights abuses the book offers a methodical analysis of the structural and structured human rights violations in the divided Kashmir and placing them in a much broader context of South Asian politics The book examines root causes responsible for a human rights violations prone environment and climate of impunity in which the actors perpetrate their crimes unpunished unwrapping legal and extralegal nexus behind the crimes Human Rights Violations in Kashmir will appeal to students and scholars of peace and conflict studies international relations human rights studies and South Asian studies
