*Mechanics' Magazine and Journal of Enigneering, Agricultural Machinery, Manufactures, and Shipbuilding* ,1827 Iron Perry Fairfax Nurse,1827 *The Sun and Her Star* Dylan Allen, Graham was born to be a star Once upon a time that star shone only for me Now I have to share him with the rest of the world For a while I thought I could do it Because beneath the hypnotic smile gorgeous body and God given charm that made him famous I still caught glimpses of my best friend If the boy who called me sunshine and loved me I wore that love like a crown until he placed it on another s head Losing him was agony distance felt like the only cure When tragedy reunites us after years apart it only takes one touch to erase the past Just like that I m back in his arms He promises this time will be different But I m afraid to believe him Because behind his star s blinding brilliance is a darkness that doesn t want to let him go I know a star that bright can t belong to just one person but my jealous heart doesn t want to share him I want all of him even if wanting what doesn t belong to me leads me to ruin

,1895      *Balboa Films* Jean-Jacques Jura,Rodney Norman Bardin II,2015-08-13 From 1913 through 1918 Long Beach California was home to the largest independent film company in the world the largely forgotten Balboa Studio Founder Herbert M Horkheimer bought the studio from Edison Company in 1913 and by 1915 Balboa s expenses exceeded 2 500 a day and its output hit 15 500 feet of film per week Bert Bracken Fatty Arbuckle Henry King Baby Marie Osborne Thomas Ince and William Desmond Taylor began their careers with the studio In 1918 Horkheimer stunned the industry by declaring bankruptcy shutting down Balboa and walking away from moviemaking The closing of the studio effectively ended Long Beach s runs as a major film location and left many wondering about the true reasons behind Horkheimer s decision Most of Balboa s films have been lost and little has until now been written about the studio This book first explores the history of filmmaking in Long Beach and then fully details the story of Balboa The extensive filmography includes length copyright date when available cast and credits and a plot summary      Nevada's Teamsters, Truckers & Truck Stops Jerry Aaron,2015-06-01 This is a chronicle of trucking in the Silver State begins with the Teamsters of the late 1800s and follows the transportation trail as it progressed from bullwhacker to throttle jockey It provides an insight into the building of Nevada based trucking companies and is a narrative of early trucking The book will place the reader in the cab of a trucking time machine that covers over a hundred and fifty years of Nevada s transportation industry      Myths, Symbols and Legends of Solar System Bodies Rachel Alexander,2014-11-04 This book is an amateur astronomer s guide to the mythology and symbolism associated with the celestial bodies in the Solar System and even includes some of the legendary tales of people who had or have a connection with these objects It explores different cultures for example the Greco Roman and the Norse and different times and how stories were used to explain the worlds they saw above them You d be amazed how much of our world today reflects the myths and stories of these cultures Most amateur astronomers are familiar with the various Solar System objects but they will be only peripherally aware of what ancient cultures thought of these other worlds In fact the mythology of the planets challenges many twenty first century concepts and beliefs There are other books available on astromythology but this one focuses mostly on our own Solar System as opposed to the constellations and deep sky objects Alexander offers a new angle on timeless subjects and is exciting informative and dramatic as well as surprisingly relevant to everyday life Find out for yourself how our modern world is steeped in the bygone worlds of yesteryear      *Chatterbox* ,1866
