

Chapter 32: Stumbling into the Twenty-first Century

Intro:

- Pearl Harbor- Dec. 7, 1941
- Al Qaeda terrorist attack- Sept. 11, 2001
- Osama bin Laden calls for a jihad (holy war) in 1998. [1998: American embassies bombed in Kenya and Tanzania, 2000: bombed USS Cole, American warship visiting Yemen]
- Al Qaeda becomes an existential threat. (On par with 1941 Nazis, 1950 Soviets)
- America's global mission: War on Terror
- Cost: wars in Afghanistan/Iraq, \$500 billion expended, American/Iraqi casualties, soiled image of America
- US enters 21st century ill-equipped

The Advent of George W. Bush

The Contested Election of 2000

- George Bush v. Al Gore
- George Bush unsuccessfully tried to become a Texas oil man + Senator. After father became president, George W. finally became managing partner of Texas Rangers baseball franchise. 1994- elected governor of Texas (with Karl Rove, his future political guru)
- Bush presented himself as a regular guy. Ran as an outsider, deploing Washington partisanship. Domestic policy stood for "compassionate conservatism." Always "on message"
- Al Gore was vice president of previous president Clinton. Never settled on a message so gave impression that he had no fixed principles. Ralph Nader (Green Party) took away votes from Gore.
- Eventually, Gore won popular vote: 50.9 mil to 50.4 mil.
- However, Bush won electoral vote: 271 to 267
- Democrats challenged tally in Florida, demanded recounts in several counties. However, Supreme Court intervened and stopped the recounts and let Bush's victory stand
- (Recounting ballots in only selected counties violated rights on other Floridians under 14th amendment Equal Protection clause) Supreme Court ruled that Bush v. Gore was a one shot deal and was not to be regarded as precedent
- But by making a transparently political decision, Justice John Paul warned that the conservative majority undermined "the Nation's confidence in the judge as an impartial guardian of the rule of law"

Bush's Agenda

- VP: Richard Cheney- uncompromising, conservative Republican
- Cheney became virtually a co-president with Bush's consent.
- Karl Rove- Bush's campaign advisor
- Rove argued that a permanent Republican majority could be built on the party's conservative base.
- Tom DeLay- House majority leader (Gingrich's second in command in 95) DeLay had declared "all out war" on Democrats. Masterminded the K Street Project- achieved a Republican lock on the big money lobbying firms. DeLay had a safe House majority
- 2002- Republicans in control of both Congress and White House, no more bipartisan lawmaking
- Bush's compassionate conservatism+Rove's political calculations and exceptionally combative allies= hybrid brand of conservatism not easily classified
- Reverend Billy Graham- George Bush became a "born again Christian," Evangelical leaders had an ally in the White House, a true believer in their moral agenda.
- Bush's campaign free of Republican race baiting, General Colin Powell (former Joint Chief of Staff, later became secretary of state) and Condoleezza Rice (national security advisor then Powell's successor)
- Mexican Americans also figured prominently, middle ground, illegal immigration
- Good rights: No Child Left Behind (2000) increased federal funding for primary, secondary education, allowed students to transfer in underperforming schools to better ones.
- NCLB overrode local control, imposed federal standards for student performance (means of disciplining a lagging educational system.) people complained program was underfunded, and may have unintended consequences (i.e., school districts encouraging low scoring students to drop out)
- Congressional reauthorization of NCLB failed in 2007 and program's future became more problematic.
- Health Care Crisis: Medicare increased ~\$200 billion during Bush's first five years. Bush administration passed a budget-busting drug benefit bill (2003).
[1. No negotiating by Medicare for bulk purchases, 2. Private insurers would compete for customers, 3. Copayments would be substantial.]
