SOUTH AFRICAN ARMY

MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS) 2019

BACKGROUND

THE MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS)

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform over a two-year period. The Military Skills Development System is a two-year voluntary service system with the long term goal of enhancing the SA National Defence Force's deployment capability.

Successful MSDS candidates will be appointed in a specific **muster** and will be called up to a Training Unit, where **musters** will complete their Basic Military Training, **specific muster** and functional training in the first year and be utilized or deployed in the second year of the MSDS.

Requirements:

- No dual citizenship be a South African citizen only
- Grade 12 Applicants must be between the ages of 18-22 years
- Graduates and/or other Tertiary Qualification up to the age of 26 years
- Successfully completed Grade 12 (preferable with university entrance)
- Leadership potential
- Not be area bound
- Have no criminal offence record or pending cases
- Comply with medical fitness requirements for appointment in the SANDF
- Be prepared to serve in uniform, undergo Basic Military and Functional Training

Training:

The SA Army's mandate focuses on the provisioning of combat ready forces and plays a leading role in landward operations. Training will be decentralized to operational units where members will be appointed to undergo Basic Military Training, **muster** training and be deployed as per **requirements** of the South African Army.

Incomplete forms will not be considered. Only applicants who have passed Grade 12 may apply and must not be older than the age stipulated above on the date of reporting for training. Certified copies of ID document, Grade 12 certificate or Post grade 12 qualifications and CV must accompany this application form to SA Army Recruitment, Private Bag X 981, Pretoria, 0001.

N.B. During the selections, the applicants will be subject to Psychometric evaluations; Medical Evaluations; Vetting and Verification of qualifications.

Decentralization and Constitutionalism in Africa Charles M. Fombad, Nico Steytler, 2019-09-10 This collection of essays assesses the efforts of African governments to constitutionalise decentralisation be it in the form of federalism local government or traditional authorities Since the end of the Cold War jurisdictions across Africa have witnessed an ostensible return to multi party democracy within the paradigm of constitutionalism and the rule of law Linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes The centralization of power typically characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities mostly resulted in repressive regimes and fragile states As decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism This volume examines a variety of forms and degrees of decentralization found across Africa It advances a new understanding of trends and patterns and facilitates the exchange of ideas among African governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in Africa

The South China Sea Arbitration Alfredo C. Robles,2019-01-01 The South China Sea Arbitration which marks the first time that the Philippines and China have been parties to a compulsory dispute settlement procedure is a landmark legal case The Tribunal tackled head on critical issues in the interpretation and application of the UN Convention on the Law of the Sea that other international courts have failed to address particularly the compatibility of historic rights

with the Convention the identification of maritime features as permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime zones and those that are not In addition the Tribunal also had to decide on issues as diverse as near collisions at sea illegal fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building The Tribunals task was rendered arduous by Chinas refusal to appear before it In these circumstances understanding the Tribunals decisions is a challenging undertaking Chinas public relations campaign targeting the proceedings raised issues that the layperson could readily grasp notably African states support for its non appearance the integrity of the judges and the validity of arbitral awards Understanding the Awards and Debating with China aims to facilitate understanding of the South China Sea Arbitration by presenting detailed summaries of the two Arbitral Awards The author rebuts the questionable claims raised by Chinas public relations campaign and highlights Chinas covert actions during the proceedings
