SOUTH AFRICAN ARMY

MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS) 2019

BACKGROUND

THE MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS)

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform over a two-year period. The Military Skills Development System is a two-year voluntary service system with the long term goal of enhancing the SA National Defence Force's deployment capability.

Successful MSDS candidates will be appointed in a specific **muster** and will be called up to a Training Unit, where **musters** will complete their Basic Military Training, **specific muster** and functional training in the first year and be utilized or deployed in the second year of the MSDS.

Requirements:

- No dual citizenship be a South African citizen only
- Grade 12 Applicants must be between the ages of 18-22 years
- Graduates and/or other Tertiary Qualification up to the age of 26 years
- Successfully completed Grade 12 (preferable with university entrance)
- Leadership potential
- Not be area bound
- Have no criminal offence record or pending cases
- Comply with medical fitness requirements for appointment in the SANDF
- Be prepared to serve in uniform, undergo Basic Military and Functional Training

Training:

The SA Army's mandate focuses on the provisioning of combat ready forces and plays a leading role in landward operations. Training will be decentralized to operational units where members will be appointed to undergo Basic Military Training, **muster** training and be deployed as per **requirements** of the South African Army.

Incomplete forms will not be considered. Only applicants who have passed Grade 12 may apply and must not be older than the age stipulated above on the date of reporting for training. Certified copies of ID document, Grade 12 certificate or Post grade 12 qualifications and CV must accompany this application form to SA Army Recruitment, Private Bag X 981, Pretoria, 0001.

N.B. During the selections, the applicants will be subject to Psychometric evaluations; Medical Evaluations; Vetting and Verification of qualifications.

The Application of the Third Generation of Cognitive-Behavioral Approaches to Parenting Helena Moreira, Eva S. Potharst, Maria Cristina Canavarro, 2019-12-10 In recent years there has been growing interest in understanding how the third generation of cognitive behavioral approaches particularly mindfulness compassion and acceptance based approaches can contribute to the design of more efficacious parenting interventions and to a better understanding of parenting behaviors and the parent child relationship However the application of third generation cognitive behavioral therapies and concepts to parenting is still in its infancy and further research is needed to explore the potential of these approaches to enhance existing parenting interventions or to inform the development of new parenting interventions targeting different groups of parents and their children More research is also needed to understand how mindfulness self compassion acceptance and other related

psychological processes may influence parenting practices the parent child relationship and the child s socioemotional development With this e book presenting state of the art research articles on third generation cognitive behavioral approaches a new step is taken in 1 exploring relations between parenting related issues and concepts from the third generation cognitive behavioral framework and 2 examining parenting interventions informed by third generation cognitive behavioral therapies
