The Caring Company Isaac Getz,Laurent Marbacher,2025-11-18 Answers to the business paradox of focusing on serving society and still be prosperous The Caring Company How Great Companies Do One Thing Better Than the Rest clearly shows how businesses can choose to serve the common good as 1 priority and still achieve higher performance Rather than simply transacting with their customers suppliers and the local community this book explains how companies who instead build unconditionally caring relationships with them are rewarded economically for doing so Written in a lively narrative style and backed by research from history and economics to psychology and philosophy and by many case studies of contemporary companies that have successfully adopted this new business paradigm this book also discusses Challenges in accepting and implementing a radically new business paradigm and ways to overcome them How to make employees willing to provide unconditional care to customers suppliers and the local community The origins of capitalistic

enterprise which have surprisingly been about more than just money and the future of capitalism remodeled around the caring companies The Caring Company How Great Companies Do One Thing Better Than the Rest is a timely essential read for managers executives business leaders and entrepreneurs seeking to align their heartset with their mindset and transform their businesses to serve society while achieving greater business success By doing so they will reshape the free market economy for the better Paghe e contributi Indicalia,2007 Arsip Koran Banjarmasin Post Tgl 08 April 2012 ,
