Belke, 2025-07-02 Was the Hebrew Prophet Jonah a real or fictional person? If real, when did he live? Who were his contemporaries? Where did he grow up? How long did he live? What was he like? Is the biblical book truth or fiction? Can we know more about him than the forty-eight verse account in the biblical Book of Jonah? One verse in 2 Kings and three short New Testament references. To what extent are contemporary assessments of him as being the runaway prophet accurate? And what really happened at Nineveh and in the aftermath? **RETHINKING JONAH** is subdivided into four volumes that build on each other as follows: Volume 1: *Convergence*. This first volume launches into the inference-based historical reconstruction resulting in convergence on the ninth century BC time frame. Scribes, scrolls, cliffs, caves, and skulls prepare to be amazed. Volume 2: *The Boy Prophet*. This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the spring of 850 BC to his first resurrection in 849 BC to his drowning to death at sea in 826 BC. Volume 3: *Two Scrolls, Not One*. This third volume picks up with Jonah's second resurrection in 826 BC, reveals that Jonah was originally published as two scrolls, not one, explains why Nineveh repented in 824 BC, and reconstructs Jonah's third resurrection in 799 BC. Volume 4: *Mysteries Unveiled*. This fourth volume synthesizes the entire historical reconstruction, including an in-depth look at the sign of Jonah and the Jonah-Israel super sign typology that Jonah's life is a typological map of the history of Israel past, present, and future. **Christian Doctrine** Mike Higton, 2024-01-31 Providing an accessible one-volume guide to Christian doctrine, this is a thorough re-write of the first edition. Since the original was published, many students and teachers of doctrine in theological colleges and beyond have been learning to take more seriously the global context of their work and to recognise the difference made by

facets of their identities and social locations like race class gender and disability In this edition Mike Higon seeks to do justice to this learning and invites readers to understand doctrine as an unfinished conversation between many different voices Fully updated for clarity and yet retaining its role as a rigorous introduction to its subject the book includes new interruptions which introduce voices that question the book s arguments and offer new directions for readers to pursue
