The Palgrave Handbook of Global Fantasy Elana Gomel,Danielle Gurevitch,2023-06-07 This handbook is the first of its kind comprehensive overview of fantasy outside the Anglo American hegemony While most academic studies of fantasy follow the well trodden path of focusing on Tolkien Rowling and others our collection spotlights rich and unique fantasy literatures in India Australia Italy Greece Poland Russia China and many other areas of Europe Asia and the global South The first part focuses on the theoretical aspects of fantasy broadening and modifying existing definitions to accommodate the global reach of the genre The second part contains essays illuminating specific cultures countries and religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature **The**

Publishers Weekly ,2004 The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published

There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

The Economist ,2000 *Books Out Loud* ,2007 **New York** ,2001-05 **The School Librarian** ,2000 *Virtually Undead* Robert I Katz,2020-09-29 From USA Today Bestselling Author Robert I Katz comes a gripping techno thriller part of a multi author series tied together by an interlocking cast of characters all centered around the fantastic new promise of high technology and the endless possibilities for crime that technology offers in a world where getting away with murder can be not only plausible but easy if you just know how Michael Foreman is a neurosurgeon hard working successful and highly respected In his spare time he plays the piano Ralph Guthrie is a gamer He makes his living playing online games He also plays the clarinet Ralph Guthrie and Michael Foreman are old friends and play together in an amateur jazz band But when Ralph is invited to play and critique a new video game *Virtually Undead* and suffers a fatal heart attack along with nine other players it quickly becomes apparent that virtual reality has reached out of the virtual world and into the real Why has a gas explosion rocked the city Why has the New York sewer system repeatedly expelled raw sewage into the city's waterways And why does a single traffic light downtown persistently malfunction causing cars to repeatedly crash Are all these things tied together If so how and why When the NYPD and the FBI ask Michael Foreman to consult he can't resist the challenge and finds himself quickly drawn into the escalating mayhem of a video game that's becoming all too real Buy it now
