Drumbl, Jastine C. Barrett, 2019 Child soldiers remain poorly understood and inadequately protected despite significant media attention and many policy initiatives This Research Handbook aims to redress this troubling gap It offers a reflective fresh and nuanced review of the complex issue of child soldiering The Handbook brings together scholars from six continents diverse experiences and a broad range of disciplines Along the way it unpacks the life cycle of youth and militarization from recruitment to demobilization to return to civilian life The overarching aim of the Handbook is to render the invisible visible the contributions map the unmapped and chart new directions Challenging prevailing assumptions and conceptions the Research Handbook on Child Soldiers focuses on adversity but also capacity emphasising the resilience humanity and potentiality of children affected rather than afflicted by armed conflict      **Modernising the People's Liberation Army** James Char, 2024-06-03 This volume examines the progress made by the Chinese military the People's Liberation Army PLA as it strives to meet its commander in chief's directive to transform itself into a more capable fighting force The book tracks the reforms undertaken by the PLA in meeting its commander in chief's grand objectives set at the 2015 Central Military Commission Reform Work Meeting for China's armed forces to transform themselves into a more professional and modern military Focusing on those changes since late 2016 at corps level and below the first and second sections of the volume document the subsequent force structure and operational changes to the PLA's four conventional services and two newly established PLA branches the Strategic Support Force and Joint Logistic Support Force To that end the contributors examine the reforms promulgated by the Chinese high command and measure them against observable developments in the PLA's power projection capabilities In view of how the instrumentalization of military power is writ large in Beijing's strategic calculus and in regional hotspot issues the final part of the book also provides pathbreaking insights into two critical but not so well understood phenomena the now regular PLA aerial activities in the Taiwan Strait and the PLA Navy's submarine operations in the South China Sea This book will be of much interest to students of East Asian security Chinese politics and military and strategic studies in general      **Chinese Military Reform in the Age of Xi Jinping: Drivers, Challenges, and Implications** Joel Wuthnow, Phillip Charles

Saunders,2017 China's People's Liberation Army PLA has embarked on its most wide ranging and ambitious restructuring since 1949 including major changes to most of its key organizations The restructuring reflects the desire to strengthen PLA joint operation capabilities on land sea in the air and in the space and cyber domains The reforms could result in a more adept joint warfighting force though the PLA will continue to face a number of key hurdles to effective joint operations Several potential actions would indicate that the PLA is overcoming obstacles to a stronger joint operations capability The reforms are also intended to increase Chairman Xi Jinping's control over the PLA and to reinvigorate Chinese Communist Party CCP organs within the military Xi Jinping's ability to push through reforms indicates that he has more authority over the PLA than his recent predecessors The restructuring could create new opportunities for U S China military contacts

Romaniuk,Animesh Roul,Pamela Fabe,János Besenyő,2024-10-24 Handbook of Terrorist and Insurgent Groups A Global Survey of Threats Tactics and Characteristics examines the most current and significant terrorist and insurgent groups around the world The purpose is to create a descriptive mosaic of what is a pointedly global security challenge The volume brings together conceptual approaches to terrorism insurgency and cyberterrorism with substantive and empirical analyses of individual groups organisations and networks By doing so not only does the coverage highlight the past present and future orientations of the most prominent groups but it also examines and illustrates their key characteristics and how they operate including key leaders and ideologues Highlighting specific individual groups the chapters collectively present a robust and comprehensive outlook on the current geography of terrorism and insurgency groups operating in the world today This comprehensive volume brings the collective expertise and knowledge of more than 50 academics intelligence and security officials and professionals together all of whom are considered subject experts in their respective areas of research and practice The volume is based on both desk based and fieldwork conducted by experts in these areas incorporating analyses of secondary literature but also the use of primary data including first hand interviews on the various groups regions of operation their tactics and how their ideologies motivate their actions      **Humanitarian and Military Intervention in Libya and Syria** Aran M. Lewis,2022-12-30 This book explores the contradictions in Britain's humanitarian and military intervention in Libya and Syria beginning with the Arab spring in 2010 The book assesses the contradictions between the expressed humanitarian intentions of British military interveners and the impact of their actions on the putative beneficiary states It demonstrates that as a result of foreign intervention both Libya and Syria were rendered non functional as unitary nations and suffered extensive harm to their people and infrastructure To evaluate the effectiveness and credibility of humanitarian warfare the author conducts a thematic analysis of debates on Libya and Syria in the House of Commons The book provides a detailed study of intentions and motives expressed by Members of Parliament of consequent British state actions and their outcomes and of

MPs reactions to outcomes It provides ample evidence of duplicity insincerity indifference to harm and ulterior motives for violence that undermine moral claims and support the argument that although humanitarian warfare may be possible the leading Western activist states Britain France and the USA are poorly qualified to carry it out Illustrating a systemic failure of strategy and accountability in British foreign policy this book will be of interest to scholars and graduates of Humanitarian Studies International Relations and Military Studies

**Military Assistance on Request and the Use of Force** Erika De Wet, 2020 This book examines the extent which the proliferation of military assistance on request is changing the rules governing the use of force The author explores the authority to make these requests particularly during civil wars where some territorial control may be lost and there is a risk of systematic violations of international humanitarian law **U.S. Army Campaigns of the Civil War: The Civil War in the West, 1863** Andrew N. Morris, The Civil War in the West 1863 by Andrew N Morris is the latest addition to the Center of Military History's U S Army Campaigns of the Civil War series In 1863 Union and Confederate forces fought for control of Chattanooga a key rail center The Confederates were victorious at nearby Chickamauga in September However renewed fighting in Chattanooga that November provided Union troops a victory control of the city and drove the Confederates south into Georgia The Union success left its armies poised to invade the Deep South the following year

Aerial Visibilities Dennis Zuev, Gary Bratchford, 2025-05-02 This book brings together diverse perspectives from a range of geographic settings and feature contributions from some of the key thinkers in the field It explores various facets of the relationship between verticality and visibility offering insights that deepen the understanding of this dynamic dyad This volume brings the sky and air into the view of visual sociology and argues that there is more to the sky than phenomenological and geopolitical dimensions The chapters use the common thread of aerial visibilities to emphasise the need to rethink the aerial in terms of complex relations between humans technological artefacts and devices vertical superstructures and non human others This rethinking helps unsettle notions of aerial biopolitics The chapters in this book foreground the visual to ask to what end the image of or efforts to create images through vertical registers shapes our understanding of the vertical world the communities and users this vertical world engages or impacts upon This book will be of interest to students and researchers in the fields of visual sociology geography urban studies media studies anthropology and cultural studies as well as those exploring the intersection of technology politics and spatial theory The chapters in this book were originally published in *Visual Studies*

*Decentralization and Constitutionalism in Africa* Charles M. Fombad, Nico Steytler, 2019-09-10 This collection of essays assesses the efforts of African governments to constitutionalise decentralisation be it in the form of federalism local government or traditional authorities Since the end of the Cold War jurisdictions across Africa have witnessed an ostensible return to multi party democracy within the paradigm of constitutionalism and the rule of law Linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes The centralization of power typically

characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities mostly resulted in repressive regimes and fragile states As decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism This volume examines a variety of forms and degrees of decentralization found across Africa It advances a new understanding of trends and patterns and facilitates the exchange of ideas among African governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in Africa The Russian Military Resurgence René De La Pedraja, 2018-12-11 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia s return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria *Dragon De-mystified* , 2018-07-01 This book covers issues on China its strategic issues and its effect on India With a total of nineteen articles this book covers issues like Economy of China CPEC China s Energy Diplomacy Military Reforms Military Strategy One Belt One Road and Shanghai Cooperation Organisation *United States Code* United States, 2018 **The Engineer** , 2014 Handbook of Military Psychology Stephen V.
