Actionaid International Governance Manual:

Draft Governance Manual for AAITG as a National NGO Affiliated to ActionAid International ,2006 **Power / Knowledge / Land** Laura German,2022-10-10 The 2008 outcry over the global land grab made headlines around the world leading to a sustained interest in the dynamics and fate of customary land among both academics and development practitioners In *Power Knowledge Land* author Laura German profiles the consolidation of a global knowledge regime surrounding land and its governance within international development circles in the decade following this outcry and the growing enrollment of previously antagonistic actors within it Drawing theoretical insights on the inseparability of power and knowledge German reveals the dynamics of knowledge practices that have enabled the longstanding project of commodifying customary land and the more contemporary interests in acquiring and financializing it to be advanced and legitimated by capturing the energies of socially progressive forces By bringing theories of change from the emergent land governance orthodoxy into dialogue with the ethnographic evidence from across the African continent and beyond concepts masquerading as universal and self evident truths are provincialized and their role in commodifying customary land and entrenching colonial futurities put on display In doing so the volume brings wider academic debates surrounding productive forms of power into the heart of the land grab debate while enhancing their accessibility to a wider audience *Power Knowledge Land* takes current scholarly debates surrounding land grabs beyond their theoretical moorings in critical agrarian studies political economy and globalization into contemporary debates surrounding the politics of knowledge from theories of coloniality to ontological anthropology thereby enabling new dynamics of the phenomenon to be revealed The book deploys a pioneering epistemology integrating deconstructionist approaches to reveal the tactics truth claims and ontological assumptions of global knowledge brokers with systematic qualitative reviews and comparative study to contrast these dominant constructs with the evidence and reveal alternative ways of knowing land and practicing security from the ethnographic literature This helps to reveal the Western and modernist biases in the narratives that have been advanced about women custom and security revealing how the coloniality of knowledge works to grease the wheels of land takings by advancing highly provincialized constructs aligned with western interests as universal truths [International Encyclopedia of Civil Society](#) Helmut K. Anheier,Stefan Toepler,2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The *International Encyclopedia of Civil Society* fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures
