Naas Part One offers a groundbreaking introduction to Arabic as it is written and spoken by native speakers. It combines a progressive and rigorous grounding in Modern Standard Arabic (MSA) the form employed for reading, writing, and formal speaking with an innovative integration of the spoken Levantine variety used in everyday situations in Syria, Lebanon, Jordan, and Palestine. Introducing the two simultaneously, Arabiyyat al Naas Part One uses each in its proper context: Levantine for conversations and MSA for reading and writing activities. In this way, the course efficiently prepares students for the practical realities of learning and living Arabic today.
