Archaeological Theory 2nd Edition is the most current and comprehensive introduction to the field available Thoroughly revised and updated this engaging text offers students an ideal entry point to the major concepts and ongoing debates in archaeological research New edition of a popular introductory text that explores the increasing diversity of approaches to archaeological theory Features more extended coverage of traditional or culture historical archaeology Examines theory across the English speaking world and beyond Offers greatly expanded coverage of evolutionary theory divided into sociocultural and Darwinist approaches Includes an expanded glossary bibliography and useful suggestions for further readings **People of the Earth** Brian M. Fagan, Nadia Durrani, 2015-08-26 Understand major developments of human prehistory People of the Earth An Introduction to World Prehistory 14 e provides an exciting journey through the 7 million year old panorama of humankind's past This internationally renowned text provides the only truly global account of human

prehistory from the earliest times through the earliest civilizations Written in an accessible way for beginning students  
 People of the Earth shows how today s diverse humanity developed biologically and culturally over millions of years against a  
 background of constant climatic change      **Books in Print Supplement** ,2002      People of the Earth Brian Fagan,Nadia  
 Durrani,2023-06-21 People of the Earth is a narrative account of the prehistory of humankind from our origins over 6 million  
 years ago to the first pre industrial states beginning about 5 000 years ago This is a global prehistory which covers  
 prehistoric times in every corner of the world in a jargon free style for newcomers to archaeology Many world histories begin  
 with the first pre industrial states This book starts at the beginning of human history and summarizes the latest research into  
 such major topics as human origins the emergence and spread of modern humans the first farming and the origins of  
 civilization People of the Earth is unique in its even balance of the human past its readily accessible style and its flowing  
 narrative that carries the reader through the long sweep of our past The book is highly illustrated and features boxes and  
 sidebars describing key dating methods and important archaeological sites This classic world prehistory sets the standard for  
 books on the subject and is the most widely used such textbook in the world It is aimed at introductory students in  
 archaeology and anthropology taking survey courses on the prehistoric past as well as more advanced readers It will also  
 appeal to students of human responses to climatic and environmental change      **American Book Publishing Record** R.R.  
 Bowker Company,1978      *TRAC 2014* Tom Brindle,Martyn Allen,Emma Durham,Alex Smith,2015-04-02 This volume  
 contains a selection of papers presented at TRAC 2014 as well as some invited contributions In keeping with the aims of  
 TRAC several papers make innovative use of interdisciplinary theory in humanistic geography philosophy and  
 archaeology social psychology and the cognitive science of religion in the study of Roman monuments military social history  
 and religion Other papers share a common theme the critical interpretation of archaeological evidence A more careful  
 consideration of non grave good pottery sherds from graves suggests that these often disregarded items potentially shed  
 light on funerary rites which are usually considered to be invisible the potential importance of plant remains particularly of  
 exotic and rare species in ritual deposits is examined and a new perspective on the negative aspects of Roman conquest of  
 Northern Gaul presented New approaches towards our understanding of space and landscape in the Roman world comprise  
 an examination of the suburbs of ancient Rome and preliminary results of an ongoing project exploring the relationship  
 between wetland landscapes and domestic settlements presenting a case study from Spain      **General Catalogue of**
