Handbook to Life in America Rodney P. Carlisle, 2009 Changing International affairs and the forces of technological innovation shaped the lives of Americans in the last decades of the 20th century While the end of the Cold War and the collapse of the Soviet Union gave rise to hopes of peaceful international relations the Gulf

War and the attacks of September 11 2001 on the World Trade Center in New York shattered these aspirations In the social sphere cell phones CDs and the Internet completely transformed the ways by which people communicated and conveyed information The election of an African American man to the presidency marked the successful continuation of the struggle for equal civil rights bolstering America's reputation as a radically changing place in this contemporary period

Jefferson's Muslim Fugitives Jeffrey Einboden,2020 On October 4 1807 Thomas Jefferson was handed documents written entirely in Arabic penned by two African Muslims fleeing captivity in rural Kentucky Jefferson's Muslim Fugitives recounts the untold story of escaped West African slaves in the American heartland whose Arabic writings reached a sitting U S President prompting him to intervene on their behalf Revealing Jefferson's lifelong entanglements with slavery and Islam Jeffrey Einboden uncovers the lost Muslim manuscripts which circulated among Jefferson and his prominent peers while questioning why such vital legacies from the American past have been entirely forgotten

The Air They Breathe Debra Hendrickson,2025-07 A timely revelatory first look into the impact climate change has on children the greatest moral crisis humanity faces today by a pediatrician in the fastest warming city in America Wildfires hurricanes and heat waves make headlines But what is happening in Debra Hendrickson's clinic tells another story of this strange and unsettling time Hendrickson is a pediatrician in Reno Nevada the fastest warming city in the United States where ash falls like snow during summer wildfires In *The Air They Breathe* Dr Hendrickson recounts patients she's seen who were harmed by worsening smoke smog and pollen two boys in Arizona stricken by record setting heat while hiking children who fled for their lives from Hurricane Harvey and the Tubbs Fire and a little girl whose life was forever altered by the Zika virus outbreak in 2016 The climate crisis is a health crisis and it is a health crisis first and foremost for children Children's bodies are interwoven with and shaped by their surroundings As the planet warms and their environment changes children's health is at risk The youngest are especially vulnerable because their brain lungs and other organs are forming and growing every day and because their physiology is so different from that of adults Childhood has always been a risky period of life throughout history babies and children have met peril from polio to famine from cyclones to war Yet they have never quite had to face in quite this way the potential loss of the future itself *The Air They Breathe* is not just about the health impacts of global warming but something more a soul stirring reminder of our moral responsibility to our children and their profound connections to this unique and irreplaceable world
