Dandelion Child is Aliyah s story one of raw emotion and unflinching honesty Born from a drug deal she enters the world facing rejection from her father and the harsh reality of her mother s addiction From an early age Aliyah grapples with feeling unwanted and unloved her childhood marred by the destructive impact of substance abuse on her family As Aliyah grows the strain of addiction seeps into every corner of her life threatening to destroy the fragile bonds that hold her family together The emotional turmoil and instability of her upbringing cast long shadows over her development and well being highlighting the far reaching consequences of addiction Yet amidst the adversity Aliyah finds an unyielding source of strength in her paternal grandparents Their unwavering support and love become her anchor guiding her through the darkest times With their help and her resilience Aliyah embarks on a transformative journey of self discovery and empowerment She learns to embrace her biracial heritage forgive those who have wronged her and most importantly to love and accept herself Her journey is a testament to the power of the right environment and the boundless potential for healing through love Dope Over Daughter Dandelion Child by Roxie McLaughlin not only illuminates the devastating impact of addiction on families but also advocates for better support systems for those affected This powerful narrative raises awareness of the importance of family relationships and the potential for overcoming rejection and hurt Aliyah s story serves others facing similar struggles proving that with love and support one can rise above the pain and build a future filled with promise **The Unaborted Children** Roy J Chauvin Jr,2022-11-16 The Unaborted Children By Roy J Chauvin Jr The author

seems to place a dim view on the parenting skills of today s parents All parents struggle with decisions regarding their children some have model children who need little or no guidance while other parents are tormented by their children s

mistakes and path According to the author he was responding to God s calling in caring for these children He frequently called upon God for guidance never giving up Whether Christian or not parents are obligated to care for their children If they fail as parents society suffers Lack of respect dignity and immorality only serves to create a chaotic imbalance in society which has far reaching negative consequences Abortion is a very controversial and unnerving part of today s world Christians say abortion kills one of God s greatest gifts however do all treat this gift as coming from God Redundant questions seem to boggle the minds of all as God looks down Christianity refers to people as God s adopted children yet many of these children are abandoned even by Christians The author in his small circle of children pondered the question of abortion Distasteful as it may be these children are the unaborted children Society and Christians alike have failed to heed God s calling to care for these children There should be no homes with eight of these unaborted children Christians who abhor abortion should be lined up with outstretched arms to do God s work Don t rationalize your excuse by saying I can t do that What if Jesus said I can t die on the cross Don t tell the author and his wife they have a special place in heaven They just responded to God s calling Are we truly listening to God s plea There you have it a choice to accept God s call much like the mother s decision to abort the child or not to abort the child God s Gift of Love AMEN
