Against All Enemies Library Of Contemporary Thought:

Against All Enemies Seymour M. Hersh, 1998 Why did the system fail the Gulf War veterans Did national heroes such as Norman Schwarzkopf and Colin Powell who were known during their careers for taking care of their troops have an obligation to speak out on behalf of the veterans as many sick GIs believe and demand that America's military hospitals stop turning them away The unsettling fact is that the Gulf War was far more costly to the United States than the Pentagon and its former leaders are willing to acknowledge The ninety thousand or so victims of Gulf War syndrome are friendly fire casualties just as surely as if they had been fired upon by their fellow soldiers The military's inevitable dilemma is profound Can it protect our soldiers and sailors in future wars if it was unable to do so in the Gulf War from AGAINST ALL ENEMIES

America's Disposable Soldiers Robert S. Miller, 2002 During the research for this book almost all of those who became aware of what had happened among the American veterans in the aftermath of Desert Storm expressed shock and surprise over the number now dead and the fact that so many were disabled Usual responses were I didn't know that You must be kidding I don't believe it **Brill's Content**, 1998-07 **Savage Spawn** Jonathan Kellerman, 2003-04-01 This thought provoking and timely book from a 1 New York Times bestselling novelist and noted child psychologist reveals the factors that often lead to explosive and shocking juvenile violence Ethically and morally kids are works in progress Throw in psychopathy and you've got a soul that will never be complete In this powerful disturbing book bestselling author and noted child psychologist Jonathan Kellerman shines a penetrating light on antisocial youth kids who kill without remorse asserting that psychopathic tendencies begin very early in life as young as three and they endure Criticizing our quick impulse to blame violent movies or a morally bankrupt society Kellerman convinces us that it is the kids themselves who need to be examined Carefully How do children become cold blooded killers Kellerman warns that today's aggressive bully is tomorrow's Mafia don cult leader or genocidal dictator Violently psychopathic youths possess an overriding need for power control and stimulation and all display a complete lack of regard for the humanity of others He examines the origins of psychopathy and the ever shifting debate between nurture and nature offering some controversial solutions to dealing with homicidal tendencies in children As timely as today's headlines more gripping than fiction Savage Spawn is a provocative look at the links between society and biology children and violence Kellerman's sobering message will remain with you long after the last page is turned BONUS This edition includes an excerpt from Jonathan Kellerman's Guilt **The Virtues of Aging** Jimmy Carter, 2011-08-24 NEW YORK TIMES BESTSELLER Former president Jimmy Carter reflects on aging blending memoir anecdote political savvy and practical advice to truly illuminate the rich promises of growing older As we've grown older the results have been surprisingly good writes former president Jimmy Carter in this wise deeply personal meditation on the new experiences that come to us with age President Carter had never enjoyed more prestige or influence on the world stage nor had he ever felt more profound happiness with himself with his accomplishments and with his beloved wife

Rosalynn than in his golden years In The Virtues of Aging Jimmy Carter shares the knowledge and the pleasures that age have brought him The approach to old age was not an easy one for President Carter At fifty six having lost a presidential election he found himself involuntarily retired from a job he loved and facing a large debt on his farm and warehouse business President Carter writes movingly here of how he and Rosalynn overcame their despair and disappointment as together they met the challenges ahead President Carter delves into issues he and millions of others confront in planning for retirement undertaking new diet and exercise regimens coping with age prejudice and sorting out key political questions On a more intimate level Carter paints a glowing portrait of his happy marriage to Rosalynn a relationship that deepened when they became grandparents Here too are fascinating sketches of world leaders Nobel laureates and great thinkers President Carter has been privileged to know and the valuable lessons on aging he learned from them The Virtues of Aging celebrates both the blessings that come to us as we grow older and the blessings older people can bestow upon others An important and moving book written with gentleness humor and love The Virtues of Aging is a treasure for readers of all ages **Team**

pirates Locke's war against pirates was consistent with the natural law theory in the Two Treatises and helped to build English empire on land and at sea There is also consistency between Locke's theoretical views about slavery and his work on the Board of Trade As a Board member Locke advocated forced migration and forced labor for English convicts which is consistent with the theory of penal slavery in the Two Treatises and suggests that his theory was intended to justify the enslavement of English convicts However there are tensions between Locke's arguments in the Two Treatises and the policies of forced naval service that he supported on the Board Locke's theories of law and freedom at sea shaped his vision of English national identity and influenced the English government's policies about slavery and piracy **The**
