By attaining the goal of life, the ascension, these souls have become ascended masters. In this book, drawn from the author's pivotal spiritual conference held at Mount Shasta in 1975, you will discover how the saints and sages of both East and West work together behind the scenes of life with seekers in every field of human endeavor. Learn about this vast brotherhood of light known as the Great White Brotherhood; the word white refers not to race but to the aura of white light that surrounds these ascended masters, their devotion to humanity and their tireless efforts to help you and those you love. Contains an easy to understand and unique approach to spiritual astrology called the Cosmic Clock with diagrams. Also explores key interpretations of the Book of Revelation, America's unique role and the little known vision of George Washington and the prophecy of Sir William Hope about the future of America **The I AM Discourses** Godfre Ray
