Asking Rights Tom Ralser,2013-10-01 **Make Life Good** Dr. Randy Ross,2024-08-20 Make Life Good is an engaging parable that goes on an inward journey exploring the true basis of meaning and fulfillment in life Set against the backdrop of a chance encounter with a homeless man the story invites individuals to explore topics such as purpose generosity priorities legacy and even eternity While walking with Joe on this journey eyes will be opened minds will be stirred and hearts will be touched as the reader is challenged to truly embrace the best that life has to offer In this fast paced self focused world where success is often defined by accomplishment acquisitions and accumulation Make Life Good prompts people to adopt a different worldview In the process it becomes clear that happiness pursued eludes while happiness given returns This tale is a reminder that all the good that one desires in life is a by product of creating value for others **Response by Charitable**
