Transitional Justice in Ghana Marian Yankson-Mensah, 2020-04-08 This book situates Ghana's truth telling process which took place from 2002 to 2004 within the discourse on the effectiveness of the different mechanisms used by post conflict and post dictatorship societies to address gross human rights violations The National Reconciliation Commission was the most comprehensive transitional justice mechanism employed during Ghana's transitional process in addition to amnesties reparations and minimal institutional reforms Due to a blanket amnesty that derailed all prospects of resorting to judicial mechanisms to address gross human rights violations the commission was established as an alternative to prosecutions Against this background the author undertakes a holistic assessment of the National Reconciliation Commission's features mandate procedure and aftermath to ascertain the loopholes in Ghana's transitional process She defines criteria for the assessment which can be utilised with some modifications to assess the impact of other transitional justice mechanisms Furthermore she also reflects on the options and possible setbacks for future attempts to address the gaps in the mechanisms utilised With a detailed account of the human rights violations perpetrated in Ghana from 1957 to 1993 this volume of the International Criminal Justice Series provides a useful insight into the factors that shape the outcomes of transitional justice processes Given its combination of normative comparative and empirical approaches the book will be useful to academics students practitioners and policy makers by fostering their understanding of the implications of the different features of truth commissions the methods for assessing transitional justice mechanisms and the different factors to consider when designing mechanisms to address gross human rights violations in the aftermath of a conflict or dictatorship Marian Yankson Mensah is a Researcher and Project Officer at the International Nuremberg Principles Academy in Nuremberg Germany

Assessing the Long-Term Impact of

Truth Commissions Anita Ferrara, 2014-09-19 In 1990 after the end of the Pinochet regime the newly elected democratic government of Chile established a Truth and Reconciliation Commission TRC to investigate and report on some of the worst human rights violations committed under the seventeen year military dictatorship The Chilean TRC was one of the first truth commissions established in the world This book examines whether and how the work of the Chilean TRC contributed to the transition to democracy in Chile and to subsequent developments in accountability and transformation in that country The book takes a long term view on the Chilean TRC asking to what extent and how the truth commission contributed to the development of the transitional justice measures that ensued and how the relationship with those subsequent developments was established over time It argues that contrary to the views and expectations of those who considered that the Chilean TRC was of limited success that the Chilean TRC has in fact over the longer term played a key role as an enabler of justice and a means by which ethical and institutional transformation has occurred within Chile With the benefit of this historical perspective the book concludes that the impact of truth commissions in general needs to be carefully reviewed in light of the Chilean experience This book will be of great interest and use to students and scholars of conflict resolution criminal international law and comparative legal systems in Latin America

EU Foreign Policy, Transitional Justice and Mediation Laura Davis, 2014-07-11 This book analyses how the European Union translates its principles of peace and justice into policy and puts them into practice particularly in societies in or emerging from violent conflict The European Union treaty states that in its relations with the wider world the EU is to promote peace security the protection of human rights and the strict observance and the development of international law The EU is active in peace processes around the world yet its role in international peace mediation is largely ignored This book offers the first scholarly analysis of how the EU engages in peace processes and justice for human rights violations focussing on the point where mediation and transitional justice intersect Drawing on extensive fieldwork the book includes case studies of how the EU sought to promote peace and justice in the Democratic Republic of Congo DRC how it supports international justice through the International Criminal Court and a model of the EU as a mediator These provide an evidence base for policy makers and practitioners as well as strong empirical contributions to theory The book addresses whether and how the EU pursues its principles of both peace and justice in conflict zones where in practice these principles may be in conflict and the implications of these findings for understanding EU foreign policy and the EU as a security actor This book will be of much interest to students of EU foreign policy transitional justice peace and conflict studies and security studies

Transitional Justice Hakeem O. Yusuf, Hugo van der Merwe, 2021-09-06 Transitional justice is the way societies that have experienced civil conflict or authoritarian rule and widespread violations of human rights deal with the experience With its roots in law transitional justice as an area of study crosses various fields in the social sciences This book is written with this multi and inter disciplinary dynamic of the field in mind The book presents the broad scope of transitional justice studies through a focus on the theory mechanisms and

Transitional Justice in Italy and the Crimes of Fascism and Nazism Paolo Caroli, 2022-06-09 This book presents a comprehensive analysis of the Italian experience of transitional justice examining how the crimes of Fascism and World War II have been dealt with from a comparative perspective Applying an interdisciplinary and comparative methodology the book offers a detailed reconstruction of the prosecution of the crimes of Fascism and the Italian Social Republic as well as crimes committed by Nazi soldiers against Italian civilians and those of the Italian army against foreign populations It also explores the legal qualification and prosecution of the actions of the Resistance Particular focus is given to the Togliatti amnesty the major turning point through comparisons to the wider European post WWII transitional scenario and other relevant transitional amnesties allowing consideration of the intense debate on the legitimacy of amnesties under international law The book evaluates the Italian experience and provides an ideal framework to assess the complexity of the interdependencies between time historical memory and the use of criminal law In a historical moment marked by the resurgence of racism neo Fascism falsifications of the past as well as the desire to amend the faults of the past the Italian unfinished experience of dealing with the Fascist era can help move the discussion forward The book will be an essential reading for students researchers and academics in International Criminal Law Transitional Justice History Memory Studies and Political Science

Identity, Reconciliation and Transitional Justice Nevin Aiken, 2013-04-15 Building upon an interdisciplinary synthesis of recent literature from the fields of transitional justice and conflict transformation this book introduces a groundbreaking theoretical framework that highlights the critical

importance of identity in the relationship between transitional justice and reconciliation in deeply divided societies Using this framework Aiken argues that transitional justice interventions will be successful in promoting reconciliation and sustainable peace to the extent that they can help to catalyze those crucial processes of social learning needed to transform the antagonistic relationships and identifications that divide post conflict societies even after the signing of formal peace agreements Combining original field research and an extensive series of expert interviews Aiken applies this social learning model in a comprehensive examination of both the South African Truth and Reconciliation Commission and the uniquely decentralized approach to transitional justice that has emerged in Northern Ireland By offering new insight into the experiences of these countries Aiken provides compelling firsthand evidence to suggest that transitional justice interventions can best contribute to post conflict reconciliation if they not only provide truth and justice for past human rights abuses but also help to promote contact dialogue and the amelioration of structural and material inequalities between former antagonists Identity Reconciliation and Transitional Justice makes a timely contribution to debates about how to best understand and address past human rights violations in post conflict societies and it offers a valuable resource to students scholars practitioners and policymakers dealing with these difficult issues

The Handbook on the Political Economy of War Christopher J. Coyne, Rachel L. Mathers, 2011-01-01 The Handbook on the Political Economy of War highlights and

explores important research questions and discusses the core elements of the political economy of war **After Violence** Elin Skaar, Camila Gianella Malca, Trine Eide, 2015-04-17 After Violence Transitional Justice Peace and Democracy examines the effects of transitional justice on the development of peace and democracy Anticipated contributions of transitional justice mechanisms are commonly stated in universal terms with little regard for historically specific contexts Yet a truth commission for example will not have the same function in a society torn by long term civil war or genocide as in a society emerging from authoritarian repression Addressing trials reparations truth commissions and amnesties the book systematically addresses the experiences of four very different contemporary transitional justice cases post authoritarian Uruguay and Peru and post conflict Rwanda and Angola Its analysis demonstrates that context is a crucial determinant of the impact of transitional justice processes and identifies specific contextual obstacles and limitations to these processes The book will be of much interest to scholars in the fields of transitional justice and peacebuilding as well as students generally concerned with human rights and democratisation Transformative Transitional Justice and the Malleability of

Post-Conflict States Padraig McAuliffe, 2017-03-31 Despite the growing focus on issues of socio economic transformation in contemporary transitional justice the path dependencies imposed by the political economy of war to peace transitions and the limitations imposed by weak statehood are seldom considered This book explores transitional justice s prospects for seeking economic justice and reform of structures of poverty in the specific context of post conflict states

Assessing The Impact Of Transitional Justice Assessing The Impact Of Transitional Justice: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Assessing The Impact Of Transitional Justice Assessing The Impact Of Transitional Justice : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
